NEWS RELEASE

Ryder Executive to Present at Supply Chain Leaders in Action Forum

5/31/2016

MIAMI--(BUSINESS WIRE)-- **Ryder System, Inc.** (NYSE: R), a leader in commercial **fleet management**, **dedicated transportation**, and **supply chain** solutions, today announced that Ryder President of Global Supply Chain Solutions Steve Sensing will present at the Supply Chain Leaders in Action (SCLA) Forum, which will be held at the Scottsdale Resort at McCormick Ranch in Scottsdale, Ariz., from June 6-8.

Mr. Sensing will be a presenter at the Super Session titled "iChain: Thriving in the Age of the Ever-Connected Customer" on Tuesday, June 7, from 11:15 a.m. – 12:45 p.m. He will take a deep dive into the biggest disruptors he is seeing today and how Ryder is delivering new and innovative solutions to help customers respond.

Ryder has more than 80 years of experience helping customers in the United States, Canada, Mexico, and Singapore transform their supply chains by delivering the best in operational execution. Ryder provides a full range of supply chain solutions, from optimizing day-to-day logistics operations to synchronizing the supply of parts and finished goods with customer demand.

The SCLA forum is condensed into three intense days of personalized executive education that increases management's supply chain knowledge and addresses the key concerns of corporate operations and management. It is designed to significantly increase supply chain efficiency, enabling fast, reliable responses to pressing issues, as well as establishing skill sets for solving problems. To register for SCLA, click **here**.

About Ryder

Ryder is a FORTUNE 500® commercial fleet management, dedicated transportation, and supply chain solutions company. Ryder's stock (NYSE:R) is a component of the Dow Jones Transportation Average and the Standard & Poor's 500 Index. Ryder has been named among FORTUNE's World's Most Admired Companies, and has been recognized for its industry-leading practices in third-party logistics, environmentally-friendly fleet and supply chain solutions, and world-class safety and security programs. The Company is a proud member of the American Red Cross Disaster Responder Program, supporting national and local disaster preparedness and response efforts. For
