“The support we receive from our Mexican carriers has a direct impact on our ability to deliver on the promises to our customers in the United States,” said Gene Sevilla, Vice President of Ryder International Supply Chain Solutions. “Ryder’s operations in Mexico have become fundamental to the growth of our global Supply Chain Solutions business, and that success wouldn’t be possible without a reliable and high quality group of Mexican carrier companies. Our Mexican carrier partners are responsible for some of the most complex elements of our supply chain solutions. Our annual Mexican Carrier Awards allows us to recognize them for going above and beyond to ensure that goods are moved in a safe, timely, and efficient manner.”

Ryder works with a wide range of carrier companies in Mexico. The carrier companies were evaluated according to four major criteria: safety, overall capabilities, financial billing with Ryder, and participation in Ryder accounts.
