

Premiere Credit of North America, LLC conducts business primarily in English. However, we do employ Spanish speakers and have access to an interpretation line for other languages. As a result, we may be able to accommodate verbal communication in another language when available. While we do not offer formal translation services, some written communications may be available in Spanish.

A translation and description of commonly-used debt collection terms is available in multiple languages on the New York City Department of Consumer Affairs website, www.nyc.gov/dca.
