

NEWS RELEASE

GMR Solutions Inc. Sets First Quarter 2026 Earnings Call

2026-05-26

LEWISVILLE, Texas--(BUSINESS WIRE)-- GMR Solutions Inc. (NYSE: GMRS) intends to host its inaugural first quarter 2026 earnings call on June 2, 2026. The call will mark the company's first earnings call since its initial public offering and New York Stock Exchange debut on May 13, 2026.

"Our first earnings call as a public company is an important step in establishing a consistent, transparent cadence with the investment community," said GMR Chief Financial Officer Brian Tierney.

Event Date: June 2, 2026

Event Time: 10:00 a.m. (GMT-04:00) Eastern Time (U.S. and Canada)

Webcast Attendee URL: Attend at <https://events.q4inc.com/attendee/146682024>

An archived webcast of the call will be available on the Company's **investor relations website** under the "Events & Presentations" section, where it will remain for one year. Related presentation materials will be posted prior to the conference call.

"We look forward to sharing more about our performance, our operating priorities and the opportunities we see ahead as a public company," added Tierney.

About Global Medical Response

GMR is the nation's largest provider of emergency medical services ("EMS"), delivering EMS and other essential out-of-hospital care in rural and urban communities that represent more than 60% of the U.S. population. As the only national, fully integrated, air and ground EMS provider, GMR operates in approximately 1,400 counties across the country. A recognized innovator, GMR develops new solutions to meet evolving industry needs and expand access to high-quality care. With roughly 34,000 team members, GMR supports roughly 5.5 million patient encounters annually and performs a critical care intervention every 88 seconds. Its family of solutions includes American Medical Response, Air Evac Lifeteam, REACH Air Medical Services, Guardian Flight, Med-Trans Corporation, and AirMed International.
