About Global Medical Response

GMR is the nation's largest provider of emergency medical services (EMS), delivering EMS and other essential out-of-hospital care in rural and urban communities that represent approximately 60% of the U.S. population. As the only national, fully integrated, air and ground EMS provider, GMR operates in approximately 1,400 counties across the country. A recognized innovator, GMR develops new solutions to meet evolving industry needs and expand access to high-quality care. With roughly 34,000 team members, GMR supports nearly 5.5 million patient encounters annually and performs a critical care intervention every 88 seconds. Its family of solutions includes ambulance EMS provider American Medical Response, as well as multiple air EMS organizations including Air Evac Lifeteam, REACH Air Medical Services, Guardian Flight, Med-Trans Corporation, and AirMed International.
