# Broadwind Energy Announces \$28 Million in New Tower Orders

1/18/2017

CICERO, Ill., Jan. 18, 2017 (GLOBE NEWSWIRE) -- Broadwind Energy, Inc. (NASDAQ:BWEN) today announced \$28 million in new tower orders. Broadwind will produce these towers in its Manitowoc, WI and Abilene, TX facilities for 2017 delivery.

Broadwind President and CEO Stephanie Kushner stated, "We are pleased to be starting the year off strong with this new order. The Broadwind team is proud to represent US manufacturing and the role we play in the wind industry in the US."

About Broadwind Energy, Inc.

Broadwind Energy (NASDAQ:BWEN) applies decades of deep industrial expertise to innovate integrated solutions for customers in the energy and infrastructure markets. From gears and gearing systems for wind, oil and gas and mining applications, to wind towers and industrial weldments, we have solutions for the energy needs of the future. With facilities throughout the central U.S., Broadwind Energy's talented team is committed to helping customers maximize performance of their investments—quicker, easier and smarter. Forward-Looking Statements

This release contains "forward-looking statements", as defined in Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements include any statement that does not directly relate to a current or historical fact. Our forward-looking statements may include or relate to our beliefs, expectations, plans and/or assumptions with respect to the following: (i) state, local and federal regulatory frameworks affecting the industries in which we compete, including the wind energy industry, and the related extension, continuation or renewal of federal tax incentives and grants and state renewable portfolio standards; (ii) our customer relationships and efforts to diversify our customer base and sector focus and leverage customer relationships across business units; (iii) our ability to continue to grow our business organically; (iv) the sufficiency of our liquidity and alternate sources of funding, if necessary; (v) our restructuring efforts, including estimated costs and saving opportunities; (vi) our ability to realize revenue from customer orders and backlog; (vii) our ability to operate our business efficiently,

manage capital expenditures and costs effectively, and generate cash flow; (viii) the economy and the potential impact it may have on our business, including our customers; (ix) the state of the wind energy market and other energy and industrial markets generally and the impact of competition and economic volatility in those markets; (x) the effects of market disruptions and regular market volatility, including fluctuations in the price of oil, gas and other commodities; and (xi) the potential loss of tax benefits if we experience an “ownership change” under Section 382 of the Internal Revenue Code of 1986, as amended. These statements are based on information currently available to us and are subject to various risks, uncertainties and other factors. We are under no duty to update any of these statements. You should not consider any list of such factors to be an exhaustive statement of all of the risks, uncertainties or other factors that could cause our current beliefs, expectations, plans and/or assumptions to change.
