

## **Consolidated Water Announces Full Exercise of Underwriters' Over-Allotment Option**

GEORGE TOWN, Grand Cayman, Cayman Islands, December 13, 2006 - Consolidated Water Co. Ltd. (Nasdaq Global Select Market: CWCO) today announced that the underwriters for its recent public offering have exercised in full their over-allotment option to purchase an additional 225,000 of the Company's ordinary shares. The over-allotment option is expected to close concurrently with the initial closing of the offering on December 13, 2006. Including the sale of the additional shares subject to the over-allotment option, the aggregate net proceeds from the offering, after deducting underwriting discounts and commissions and estimated offering expenses, are expected to be approximately \$40.2 million.

The Company intends to use the net proceeds to repay existing indebtedness, for capital expenditures and general corporate purposes, and for future acquisitions and strategic investments.

Janney Montgomery Scott LLC served as sole book-runner and lead manager for the offering. Boenning & Scattergood, Inc. and Brean Murray, Carret & Co., LLC served as co-managers.

The offering is made pursuant to a registration statement relating to the shares that was filed with, and declared effective by, the Securities and Exchange Commission. The shares may be sold, and offers to buy may be accepted, only by means of a prospectus. Copies of the final prospectus for this offering may be obtained from Janney Montgomery Scott LLC, 60 State Street, 35th Floor, Boston, MA 02109, Attention: Equity Syndicate Department or [prospectus@jmsonline.com](mailto:prospectus@jmsonline.com).

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the shares in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

### **About Consolidated Water**

Consolidated Water Co. Ltd. develops and operates seawater desalination plants and water distribution systems in areas of the world where naturally occurring supplies of potable water are scarce or non-existent. The Company currently operates water production and/or distribution facilities in the Cayman Islands, Belize, Barbados and The Bahamas. The Company's affiliate, Ocean Conversion (BVI) Ltd., also produces and distributes water in the British Virgin Islands. The Company has also been notified that the bid of its affiliate, Consolidated Water (Bermuda) Limited, to build and operate a seawater desalination plant in Bermuda has been accepted. The Company's ordinary shares are listed on the Nasdaq Global Select Market under the symbol "CWCO." For additional information, please visit the Company's website at [www.cwco.com](http://www.cwco.com).

### **Cautionary Language Concerning Forward-Looking Statements**

This news release contains forward-looking statements relating to the Company's ability to complete the over-allotment offering and its use of net proceeds. These forward-looking statements are based on estimates, projections, beliefs, and assumptions and are not guarantees of future events or results. Actual future events and results could differ materially from these statements as a result of many factors, including uncertainties relating to market conditions for equity securities and the securities of water supply companies in general and for the Company's ordinary shares in particular, as well as those factors set forth under "Risk Factors" of the Company's Registration Statement on Form F-3 (File No. 333-137970) relating to the offering, which is on file with the SEC. The Company undertakes no obligation to update these forward-looking statements to reflect actual results, changes in assumptions or changes in other factors that may affect such forward-looking statements, except as required by law.
