Forward looking statements

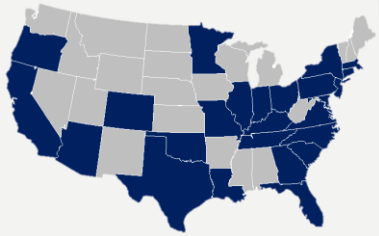

We make forward-looking statements in this presentation that are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of our business, financial condition, liquidity, results of operations, plans, and objectives. When we use the words "believe," "expect," "anticipate," "estimate," "plan," "continue," "intend," "should," "may," or similar expressions, we intend to identify forward-looking statements. Statements regarding the following subjects, among others, may be forward-looking by their nature:

- our ability to increase our dividend per share of common stock;
- the state of the U.S. economy generally or in specific geographic regions in which we operate, and the effect of general economic conditions on the lodging industry and our business in particular;
- market trends in our industry, interest rates, real estate values and the capital markets;
- our business and investment strategy and, particularly, our ability to identify and complete hotel acquisitions and dispositions;
- our projected operating results;
- actions and initiatives of the U.S. government and changes to U.S. government policies and the execution and impact of such actions, initiatives and policies;
- our ability to manage our relationships with our management companies and franchisors;
- our ability to maintain our existing and future financing arrangements;
- changes in the value of our properties;
- the impact of and changes in governmental regulations, tax law and rates, accounting guidance and similar matters;
- our ability to satisfy the requirements for qualification as a REIT under the U.S. Tax Code;
- our ability to repay or refinance our indebtedness as it matures or becomes callable by lenders;
- the availability of qualified personnel;
- our ability to make distributions to our stockholders in the future;
- the general volatility of the market price of our securities; and
- the degree and nature of our competition.

Forward-looking statements are based on our beliefs, assumptions and expectations of our future performance, taking into account information currently available to us. You should not place undue reliance on these forward-looking statements. These beliefs, assumptions and expectations can change as a result of many possible events or factors, not all of which are known to us. These factors are discussed under "Item 1A. Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2024, and in other documents we have filed with the Securities and Exchange Commission. If a change occurs, our business, financial condition, liquidity and results of operations may vary materially from those expressed in our forward-looking statements. Any forward-looking statement is effective only as of the date on which it is made. New risks and uncertainties arise over time, and it is not possible for us to predict those events or how they may affect us. Except as required by law we are not obligated to, and do not intend to, publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Additionally, this presentation contains certain unaudited historical and pro forma information and metrics which are based or calculated from historical data that is maintained or produced by Summit or third parties. This presentation contain statistics and other data that may have been obtained from, or compiled from, information made available by third-parties.

Capital Allocation

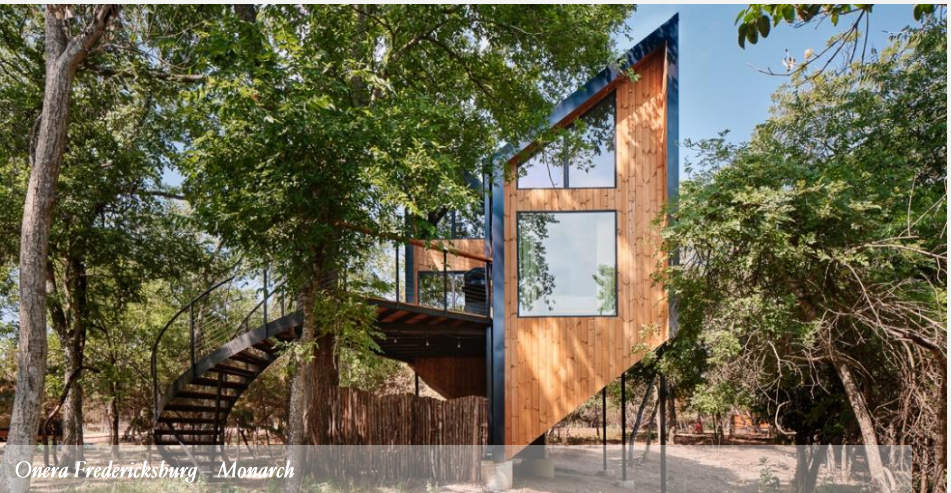

Targeted capital allocation strategy with proven track record of *transaction driven* value creation

Acquisitions

- Locations in “Markets that Matter” with favorable supply/demand dynamics and multiple demand generators
- Efficient operating models and value-add opportunities
- Target product types that appeal to evolving guest preferences

Dispositions

- Identify markets with unfavorable supply/demand dynamics
- Hotels with functional obsolescence or large capital needs that do not meet return thresholds

Opera Fredericksburg – Monarch

Joint Venture with GIC

- Own 41 hotels totaling 5,734 guestrooms with a well-respected global real estate investor further validates Summit’s platform and operating model
- Facilitates external growth strategy and creates a pipeline for future growth
- Fee stream enhances yields and overall returns (expected to cover ~15% of 2025E cash G&A)

Opportunistic development & mezzanine lending activity

- Higher risk-adjusted returns and utilization of in-house development expertise
- Mezzanine lending program provides alternative pipeline for growth which typically earns current yields of 10%-14%
- Provides for the future option to acquire assets at a fixed price

Flexible balance sheet

- Maintain liquidity, flexibility and a well-balanced maturity ladder
- Nearly 80% fixed rate debt and preferred equity capital structure
- Precedent for creative structuring and accretive issuance of OP units to preserve liquidity while remaining transactional

Share Repurchase

- Authorized $50 million share repurchase program to opportunistically return capital to shareholders
- In Q2 2025, we repurchased $15.4MM / ~3% of outstanding shares at an average price of $4.30

Recent transaction activity *accretive to earnings, portfolio quality, and growth profile*

Acquisitions completed in 2023 and 2024 generated an approximate 400 basis point NOI yield premium and a 70% RevPAR premium compared to dispositions over the same period, while also enabling the company to avoid approximately $50 million in capital expenditures

Courtyard Oceanside Fort Lauderdale Beach

The Courtyard Fort Lauderdale Beach recently completed a transformative renovation and has been rebranded as the modern Courtyard Oceanside Fort Lauderdale Beach. The completely redesigned resort will offer an unparalleled coastal experience, vast ocean views, and expanded amenities. Highlights of the project include:

- **Modern Coastal Guestrooms:** Each of the 261 guestrooms have been redesigned to reflect the local market and its South Florida location. Floor-to-ceiling windows offer views of either Fort Lauderdale Beach or the Intracoastal Waterway, paired with upgraded amenities designed to appeal to leisure and business travelers alike.
- **Panoramic Poolside Bar & New Sundeck:** The newly branded and renovated Seabreeze Poolside Bar, features an upgraded pool deck, fire pits, and cabana service, all set against panoramic views of Fort Lauderdale Beach and the Atlantic Ocean.
- **"The Mast" Restaurant:** The hotel's re-concepted restaurant, the "The Mast," offers breakfast, lunch and dinner, overlooking both the hotel's pool and the Atlantic Ocean.
- **Redesigned Public Spaces:** The redesigned lobby now boasts stylish, modern decor, and inviting spaces ideal for socializing or relaxing with a welcoming atmosphere. The new and spacious fitness center offers a variety of cardio and strength training options, and a retail shop has been incorporated into the redesign that will provide guests with many conveniences during their stay.

Operating Update

Q2 2025 *Highlights*

Operating Performance & Market Share Growth

- Same store RevPAR decline (3.6)%, on relatively flat occupancy levels (0.4)%, and ADR decline of (3.3%) to $165.
- RevPAR was significantly influenced by difficult comparisons to robust special event driven demand that benefited Q2 2024.
- Second quarter occupancy of 78% represented our second highest nominal occupancy in the past five years, trailing only our comparable metric from prior year.
- During the second quarter, RevPAR index increase by nearly 150 basis points to 115%.

Strong Expense Management

- Operating expenses increased only 1.5% or 2% on a per occupied room basis in the second quarter.
- Year-to-date, operating expenses have increased 1.5% on relatively flat occupancy, limiting EBITDA margin contraction to 160 basis points.
- Continued progress in reducing contract labor and employee turnover. Second quarter turnover rates declined nearly 40%.

Balance Sheet

- Liquidity >$310 million; weighted avg. interest rate of ~4.6%; ~80% of capital structure fixed after giving effect to swap portfolio; no maturities until 2028
- Following Q2 2025, we refinanced $396 million GIC JV term loan with new $400 million loan maturing in 2030; Interest rate of SOFR+235 bps represents 50 bps savings in spread. Executed $300 million forward dated swap[1]
- $58 million interest rate swap executed to fix SOFR at 3.57% until May 2028

Share Repurchase

- In Q2 2025, we repurchased $15.4MM / ~3% of outstanding shares at an average price of $4.30, representing a 23% discount to the current trading price [2].

Common Dividend

- Quarterly cash dividend rate of $0.08 per share representing a 5.7% annualized dividend yield [2].
