Forward looking statements

We make forward-looking statements in this presentation that are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of our business, financial condition, liquidity, results of operations, plans, and objectives. When we use the words “believe,” “expect,” “anticipate,” “estimate,” “plan,” “continue,” “intend,” “should,” “may,” or similar expressions, we intend to identify forward-looking statements. Statements regarding the following subjects, among others, may be forward-looking by their nature:

- our ability to increase our dividend per share of common stock;
- the state of the U.S. economy generally or in specific geographic regions in which we operate, and the effect of general economic conditions on the lodging industry and our business in particular;
- market trends in our industry, interest rates, real estate values and the capital markets;
- our business and investment strategy and, particularly, our ability to identify and complete hotel acquisitions and dispositions;
- our projected operating results;
- actions and initiatives of the U.S. government and changes to U.S. government policies and the execution and impact of such actions, initiatives and policies;
- our ability to manage our relationships with our management companies and franchisors;
- our ability to maintain our existing and future financing arrangements;
- changes in the value of our properties;
- the impact of and changes in governmental regulations, tax law and rates, accounting guidance and similar matters;
- our ability to satisfy the requirements for qualification as a REIT under the U.S. Tax Code;
- our ability to repay or refinance our indebtedness as it matures or becomes callable by lenders;
- the availability of qualified personnel;
- our ability to make distributions to our stockholders in the future;
- the general volatility of the market price of our securities; and
- the degree and nature of our competition.

Forward-looking statements are based on our beliefs, assumptions and expectations of our future performance, taking into account information currently available to us. You should not place undue reliance on these forward-looking statements. These beliefs, assumptions and expectations can change as a result of many possible events or factors, not all of which are known to us. These factors are discussed under “Item 1A. Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2025, and in other documents we have filed with the Securities and Exchange Commission. If a change occurs, our business, financial condition, liquidity and results of operations may vary materially from those expressed in our forward-looking statements. Any forward-looking statement is effective only as of the date on which it is made. New risks and uncertainties arise over time, and it is not possible for us to predict those events or how they may affect us. Except as required by law we are not obligated to, and do not intend to, publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Additionally, this presentation contains certain unaudited historical and pro forma information and metrics which are based or calculated from historical data that are maintained or produced by Summit or third-parties. This presentation contains statistics and other data that may have been obtained from, or compiled from, information made available by third-parties.

Capital Allocation

Targeted capital allocation strategy with proven track record of *transaction-driven* value creation

Acquisitions

- Locations in “Markets that Matter” with favorable supply/demand dynamics and multiple demand generators
- Efficient operating models and value-add opportunities
- Target product types that appeal to evolving guest preferences

Dispositions

- Identify markets with unfavorable supply/demand dynamics
- Hotels with functional obsolescence or large capital needs that do not meet return thresholds

Joint Venture with GIC

- Owns 39 hotels totaling 5,503 guestrooms with a well-respected global real estate investor further validates Summit's platform and operating model
- Facilitates external growth strategy and creates a pipeline for future growth
- Fee stream enhances yields and overall returns (expected to cover ~15% of 2026E cash G&A)

Opportunistic development & mezzanine lending activity

- Higher risk-adjusted returns and utilization of in-house development expertise
- Mezzanine lending program provides alternative pipeline for growth which typically earns current yields of 10%-14%
- Provides for the future option to acquire assets at a fixed price

Flexible balance sheet

- Maintain liquidity, flexibility and a well-balanced maturity ladder
- 62% pro rata fixed rate debt and preferred equity capital structure
- Precedent for creative structuring and accretive issuance of OP units to preserve liquidity while remaining transactional

Share Repurchase

- Authorized \$50 million share repurchase program to opportunistically return capital to shareholders (~\$28 million available as of June 30, 2026)
- Since inception, the company repurchased ~5.1 million shares, or ~4% of outstanding shares, at an average price of \$4.26

Recent transaction activity *accretive to earnings, portfolio quality, and growth profile*

Acquisitions completed in 2023 and 2024 have generated an approximate 380 basis point NOI yield premium and an approximate 67% RevPAR premium compared to dispositions since 2023, while also enabling the Company to avoid approximately \$68 million in capital expenditures.

Marriott – Boulder

Strategic Capex Investment

The Company has invested ~\$235 million in capital expenditures over the last 3 years.

- Our comprehensive hotel renovations directly contribute to a meaningful increase in market share by elevating guest satisfaction and enhancing brand perception.
- On average, in the 12 months following renovation, we achieved a 400-basis point increase in market share, which grew to 1,100 basis points over the three-year period post renovation.

Historical Renovation Performance

1. Based on STR data for 16 renovations completed since 2017.

2. Based on 15 renovations completed since 2017 (adjusted 24-month post-renovation period).

Courtyard Oceanside Fort Lauderdale Beach

The Courtyard Fort Lauderdale Beach underwent a transformative renovation in Spring 2025 and has been rebranded as the Courtyard Oceanside Fort Lauderdale Beach. The completely redesigned resort offers an elevated coastal experience, sweeping ocean views, and expanded amenities. Highlights include:

- **Modern Guestrooms:** All 261 guestrooms have been redesigned to reflect the local market and its South Florida location. Floor-to-ceiling windows offer views of Fort Lauderdale Beach or the Intracoastal Waterway, paired with upgraded amenities designed to appeal to both leisure and business travelers.
- **Panoramic Poolside Bar & New Sundeck:** The newly branded and renovated Seabreeze Poolside Bar features an upgraded pool deck, fire pits, and cabana service, all set against panoramic views of Fort Lauderdale Beach and the Atlantic Ocean.
- **“The Mast” Restaurant:** The hotel’s reconcepted restaurant offers breakfast, lunch, and dinner, overlooking both the hotel’s pool and the Atlantic Ocean.
- **Redesigned Public Spaces:** The redesigned lobby now features stylish modern decor and inviting spaces for socializing or relaxing with a welcoming atmosphere. The new and spacious fitness center offers a variety of cardio and strength training options, and a retail shop has been incorporated into the redesign that provide guests with many conveniences during their stay.

Onera Fredericksburg

Onera Fredericksburg added 23 custom-built, hard-sided, and climate-controlled units in Summer 2025. The expansion included:

- **15 luxury units** that build on the property's signature architecture and showcase unobstructed views of the surrounding Hill Country landscape. New unit concepts (pictured below) include the Cypress Lodge, Diamond, Monolith, Post Oak, Quonset, Spiral, and Winecup, each designed to offer a unique and immersive guest experience. Units sleep between two and six guests and feature private hot tubs, with select units offering private plunge pools.
- **The Great Lodge** is an eight-room lodge composed of one-bedroom suites, each with a private hot tub, that can be booked individually or as a full block. The lodge features a private pool, sauna, and a well-appointed communal great room ideal for group getaways, family gatherings, and corporate retreats.
