NGM Early Learning Centers

In partnership with the Boys and Girls Club of Elko and the Boys and Girls Club of Winnemucca, NGM has invested $4.5M to establish childcare in three of our rural communities (Elko, Spring Creek, and Winnemucca).

These centers provide childcare for infants to 5 year olds and cater to the mining schedule, open 4am - 8pm.

Native American Community Mural

NGM commissioned Micqaela Jones, a Western Shoshone local artist, to paint a mural depicting the Native American culture on a water tower visible from Interstate 80.

Micqaela began painting in August 2022 and completed the mural in October. NGM is proud to support the visibility of the Native American culture in the Great Basin region.
