Barrick International Advisory Board Issues Statement on Vernon Jordan

Toronto, March 3, 2021 – The Right Honourable Brian Mulroney, Chairman of Barrick's International Advisory Board, has issued the following statement:

> We at Barrick Gold Corporation are deeply saddened by the death of Vernon Jordan.
>
> One of America's leading civil rights leaders, Vernon served on the company's International Advisory Board since its inception over two decades ago. He was a vigorous and effective participant in all Advisory Board debates that concerned the company, its future, its employees and the social and political environments in which Barrick operates around the world.
>
> We shall miss his brilliance, great good humour and sound judgement he brought to bear on all subjects under Board consideration and we shall remember him with affection and respect as a valuable colleague and a loyal friend.
