FORWARD LOOKING STATEMENT

Certain statements included herein regarding realized gold prices, gold lease rates and contango constitute "forward looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995. Such Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of Barrick or of the gold mining industry to be materially different from future results, performance of achievements expressed or implied by those forward looking statements. Barrick is subject to the effects of changes in the worldwide price of gold and the risks involved in mining operations. These factors are discussed in greater detail in Barrick's most recent Annual Information Form and Management's Discussion and Analysis on file with the U.S. Securities and Exchange Commission and Canadian provincial securities regulatory authorities.
