

## Motorcar Parts of America Receives MVP of the Year Award From Parts Authority

November 20, 2019

LOS ANGELES--(BUSINESS WIRE)--Nov. 20, 2019-- Motorcar Parts of America, Inc. (Nasdaq:MPAA) today announced it received Parts Authority's 2019 *Most Valuable Partner (MVP)* award at the automotive aftermarket distributor's AAPEX reception recently held in Las Vegas.

"Superior product management and customer service are fundamental commitments throughout our company. We are gratified to be recognized as a valued supplier and receive this prestigious award. It is a tribute to each Motorcar Parts of America (MPA) team member, and we look forward to continued mutual success," said Selwyn Joffe, chairman, president and chief executive officer.

"Our MVP award, which recognizes MPAs outstanding performance, is not one we take lightly. In order to win this award, a vendor has to really stand out on many fronts. MPAs award reflects its dedication to training, technology, product quality, excellent fieldwork, shipping and the company's overall positive attitude," said Randy Buller, chief executive officer of Parts Authority.

### About Parts Authority

Parts Authority, founded in 1972, is one of the largest distributors of automotive and truck parts in the automotive aftermarket. They serve commercial customers - - installers, dealerships, fleets and national accounts - - as well as e-commerce customers. Headquartered in Lake Success, NY, Parts Authority has more than 200 locations in New York, New Jersey, Pennsylvania, Maryland, Washington, D.C., Virginia, Ohio, Georgia, Florida, Texas, Arizona, California, Oregon and Washington. With a catalog of over 3 million parts covering more than 125 million applications, Parts Authority carries the most reputable brands in the business and has a team of experienced professionals to help customers find the right parts. Led by President and CEO Randy Buller and his seasoned management team, Parts Authority has acquired more than a dozen companies in the past several years in its geographical expansion initiative.
