Moelis Builds on Momentum of its Technology Franchise with Hire of Timothy Roepke as a Managing Director

New York, January 7, 2026 – Moelis & Company (NYSE: MC), a leading global independent investment bank, today announced that Timothy Roepke has joined as a Managing Director. Tim will focus on advising clients within the software and services sectors, as the Firm continues to expand its global technology franchise.

Tim brings nearly two decades of experience with deep sector expertise across infrastructure software, cloud services, and broader AI enterprise technologies. He has advised on a wide range of complex and high-profile transactions, including public and private M&A, large-scale strategic sales, and sponsor-backed transactions.

He has joined Moelis from Jefferies and previously held investment banking roles at Credit Suisse and Barclays. Prior to his career in finance, Tim served as an officer in the U.S. Army.

Jason Auerbach, Global Head of Technology Investment Banking at Moelis, commented, “Technology continues to reshape every sector of the global economy. As we help our clients navigate increasingly complex and competitive landscapes, Tim’s arrival will deepen our sector expertise and enhance our ability to deliver tailored advice. He is a proven leader and trusted advisor to global technology clients. We are pleased to welcome Tim to the team.”
