FORWARD LOOKING STATEMENTS

Statements made in this presentation that are not historical facts, including statements accompanied by words such as “will,” “believe,” “anticipate,” “expect,” “estimate,” or similar words are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 regarding AMERISAFE’s plans and performance. These statements are based on management’s estimates, assumptions, and projections as of the date of this presentation and are not guarantees of future performance and include statements regarding management’s views and expectations of the workers’ compensation market, the Company’s growth opportunities, underwriting margins and actions by competitors. Actual results may differ materially from the results expressed or implied in these statements if the underlying assumptions prove to be incorrect or as the result of risks, uncertainties, and other factors, including the impact of the COVID-19 pandemic on the business and operations of the Company and our policyholders and the market value of the securities in our investment portfolio. Other factors that may affect our results are set forth in the Company’s filings with the Securities and Exchange Commission, including AMERISAFE’s Annual Report on Form 10-K for the year ended December 31, 2019. AMERISAFE cautions you not to place undue reliance on the forward-looking statements contained in this presentation. AMERISAFE does not undertake any obligation to publicly update or revise any forward-looking statements to reflect future events, information or circumstances that arise after the date of this presentation.
