

First Quarter 2024 Investor Presentation

May 8, 2024

Safe Harbor Statement and Non-GAAP Measures

Certain statements included in this presentation, including those regarding our earnings outlook, expected catastrophe losses, our investment strategies, our plans to implement additional rate actions, our plans relating to share repurchases and dividends, our efforts to enhance customer experience and expand our products and solutions to more educators, our strategies to create sustainable long-term growth and double-digit ROEs, our strategy to achieve a larger share of the education market, and other business strategies, constitute forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements are made based on management's current expectations and beliefs concerning future developments and their potential effects upon Horace Mann and its subsidiaries. Horace Mann cautions investors that such statements are subject to risks and uncertainties, many of which are difficult to predict and generally beyond Horace Mann's control, that could cause actual results to differ materially from those expressed in, or implied or projected by, the forward-looking statements included in this document. Certain important factors that could cause actual results to differ, possibly materially, from expectations or estimates reflected in such forward-looking statements can be found in the "Risk Factors" and "Forward-Looking Information" sections included in Horace Mann's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q filed with the Securities and Exchange Commission (SEC). The forward-looking statements herein are subject to the risk, among others, that we will be unable to execute our strategy because of market or competitive conditions or other factors. Horace Mann does not undertake to update any particular forward-looking statement included in this document if we later become aware that such statement is not likely to be achieved.

The historical and forward-looking financial information contained in this presentation includes measures marked with an asterisk (*) the first time they are presented within this document that are not based on accounting principles generally accepted in the United States of America (non-GAAP) such as core earnings, core earnings per share, adjusted core earnings and adjusted book value per share. An explanation of these measures is contained in the Glossary of Selected Terms included as Exhibit 99.1 in our most recent Form 8-K filed with the SEC and are reconciled to the most directly comparable measures prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) in the Appendix of the most current Investor Supplement available on our website at investors.horacemann.com.
