2023-02-28

MARIETTA, Ga., Feb. 28, 2023 (GLOBE NEWSWIRE) -- **BlueLinx Holdings Inc.** (NYSE: BXC), a leading U.S. wholesale distributor of building products, and Louisiana-Pacific Corporation (LP Building Solutions, NYSE: LPX), a leading manufacturer of engineered wood building products, announced today the expansion of its distribution partnership. The expansion includes LP's Siding Solutions brands and prefinished solutions (LP® SmartSide® Trim & Siding, and LP® SmartSide® ExpertFinish® Trim & Siding) in the Southeast and Midwest Regions, specifically in Atlanta, Omaha, and Pensacola. The expanded distribution will begin later in the first quarter of 2023.

Mike Wilson, SVP of Product Management at BlueLinx, states "LP has great brand recognition, and this new partnership expands our siding offering to customers, bringing innovative solutions to home builders, remodelers, and homeowners. The timing of the partnership is ideal as the industry gravitates toward prefinished siding, and the LP® SmartSide® and ExpertFinish® brand portfolios align well with our growth strategy of delivering what matters to the industry: building solutions that drive more efficient installations, increased jobsite workability, and beautiful aesthetics."

Chad Wold and Joe Grandbois, General Sales Managers for LP in the Southeast and North Central Regions, respectively, added "As LP continues to grow market share, we are excited to expand our distribution footprint with BlueLinx. This expansion in Atlanta, Omaha, and Pensacola will allow our customers to have additional options to access SmartSide® and ExpertFinish®. We have world-class partners and look forward to continuing our growth for the next decade."
