

BlueLinX Expands Distribution Partnership with Oldcastle APG

2025-11-12

- Doubles RDI® Railing Locations and Adds New MoistureShield® Decking Markets

ATLANTA--(BUSINESS WIRE)-- BlueLinX Holdings Inc. (NYSE: BXC), a leading U.S. wholesale distributor of building products, today announced a major expansion of its distribution partnership with Oldcastle APG, a CRH Company. This agreement doubles the BlueLinX RDI® Railing distribution footprint from eight to sixteen locations and adds MoistureShield® Decking to two new markets: Long Island, NY and Portland, OR.

RDI® Railing coverage now includes Seattle, WA, Spokane, WA, Portland, OR, Cincinnati, OH, Akron, OH, Pittsburgh, PA, Buffalo, NY, and Long Island, NY, bringing industry-leading railing solutions to more customers throughout the country. This geographic coverage enhances BlueLinX's product portfolio in some of the largest MSAs in the United States and strengthens its support for the multifamily sector.

"This expansion reflects our strategic focus on partnering with leading suppliers to grow both geographically and across product categories," said Mark Mason, Vice President of Product Management, BlueLinX. "By doubling our stocking locations and extending our reach coast to coast, we are not only creating scalable solutions for our customers and suppliers but also strengthening our ability to serve the multifamily market, which is a key growth area for BlueLinX."

"Expanding RDI Railing into the Seattle, Spokane, Portland, Cincinnati, Akron, Pittsburgh, Buffalo, and Long Island markets represents a significant milestone in our commitment to delivering premium outdoor living solutions nationwide," said Joshua McComb, Vice President of Sales, Fence, Rail & Deck, Oldcastle APG. "These are vibrant communities with strong demand for durable, design-forward railing systems, and we are excited to bring our enhanced product offerings and customer-first approach to these areas."
