PURPOSE

The Audit Committee (the **Committee**) of the Board of Directors (the **Board**) of Mastercard Incorporated (the **Company**) shall assist the Board in fulfilling its responsibility with respect to its oversight of:

- the quality and integrity of the Company's financial statements;
- the Company's compliance with legal and regulatory requirements;
- the qualifications, performance and independence of the independent registered public accounting firm engaged to perform the integrated audit of the Company (the **independent auditor**);
- risk assessment and risk management of the Company;
- the performance of the Company's internal audit function; and
- the quality of the Company's internal controls.

STRUCTURE

The Committee shall be comprised of three or more members of the Board, each of whom is determined by the Board to be independent under the rules of the New York Stock Exchange and the Securities Exchange Act of 1934, as amended (the **Exchange Act**), including the rules and regulations promulgated thereunder.

No member of the Committee may serve on the audit committee of more than three SEC-registered companies, including the Company, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee, and discloses such determination in the Company's annual proxy statement or on its corporate website.

All members of the Committee shall have a working familiarity with basic finance and accounting practices (or acquire such familiarity within a reasonable period after his or her appointment). At least one member must be an *audit committee financial expert* as defined by the SEC.

At least two-thirds of the members of the Committee shall be directors who are not Industry Directors (as defined in the Company's certificate of incorporation).

September 2020

The members of the Committee shall be appointed by the Board and shall serve until their respective successors are duly elected and qualified or until their earlier resignation or removal. The members of the Committee may be removed, with or without cause, by the Board.

Unless a Chairperson is elected by the Board, the members of the Committee shall designate a Chairperson by majority vote of the full Committee membership. The Committee Chairperson shall be entitled to cast a vote to resolve any ties. The Committee Chairperson will chair all regular sessions of the Committee and, in consultation with the General Auditor of the Company, other members of management and/or the Committee, set the agenda for Committee meetings. In the absence of the Committee Chairperson, the Committee shall select another member to preside.

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate.

RESOURCES

The Committee, in discharging its oversight role, may study or investigate any matter of interest or concern that the Committee deems appropriate and shall have the sole authority to engage and terminate independent counsel and other advisors as it determines necessary or appropriate to carry out its duties, including the authority to approve the fees payable to such advisors and any other terms of retention.

The Company shall provide appropriate funding, as determined by the Committee, to compensate the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and any advisors that the Committee chooses to engage, as well as funding for the payment of ordinary Committee administrative expenses that are necessary or appropriate in carrying out its duties.

The Committee shall be given full access to the Company's internal audit group, Board, Chief Compliance Officer, management and independent auditor as necessary to carry out its responsibilities. As part of this, the Committee shall periodically incorporate into its meetings separate sessions with each of, or a combination of, management, the General Auditor, the independent auditor and the Chief Compliance Officer to discuss any matters that the Committee or each of these groups believe would be appropriate to discuss privately. The General Auditor and Chief Compliance Officer will also have direct access to the Committee, including through these periodic separate sessions and other meetings.

The Committee is not responsible for certifying the Company's financial statements or guaranteeing the independent auditor's report. The fundamental responsibility for the

Company's financial statements and disclosures rests with management while the independent auditor is responsible for conducting the annual audit in accordance with the standards of the Public Company Accounting Oversight Board (United States) (the **PCAOB**).

The Committee shall report regularly to the Board on its meetings and discussions, including with respect to any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditor or the performance of the internal audit function. The Committee shall review with the Board significant issues that arise at Committee meetings. The report may be an oral report given by the Committee Chairperson or other Committee member.

The Committee shall maintain minutes or other records of meetings and activities of the Committee.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. The Chairperson of the Board or any member of the Committee may call meetings of the Committee. Advance notice of Committee meetings shall be given as required by the certificate of incorporation and by-laws of the Company for meetings of the Board.

All non-management directors that are not members of the Committee may attend meetings of the Committee but may not vote. The Committee may also appoint non-management directors as non-voting advisors to the Committee. Additionally, the Committee may invite to its meetings any director, member of management or others, including outside counsel and the independent auditor, as it deems appropriate to assist it in carrying out its responsibilities.

A majority of the Committee shall constitute a quorum for the transaction of business, and the act of a majority of those present at any meeting at which there is a quorum shall be the act of the Committee.

RESPONSIBILITIES AND DUTIES

The following are the duties the Committee will undertake in carrying out its responsibilities. The Committee may carry out additional duties and adopt additional policies and procedures as needed.
