Effective as of January 22, 2021

I. Purpose

The Nominating and Governance Committee (the “Committee”) of the Board of Directors of Rocket Companies, Inc., a Delaware corporation (the “Company”), shall

- (a) identify individuals qualified to become members of the Board of Directors of the Company (the “Board”), consistent with criteria approved by the Board;

II. Organization

The Committee shall consist of at least three directors. The members of the Committee are not required to meet the independence requirements of the New York Stock Exchange (the “Exchange”) during any period in which the Company is a “controlled company” within the meaning of the Exchange’s listing standards, unless the Board determines otherwise. If the Company ceases to be a “controlled company” or the Board determines not to rely on the Exchange’s and “controlled company” exemption, all members of the Committee shall meet the independence requirements of the Exchange within the periods required by the Exchange’s phase-in rules applicable to companies who cease to be “controlled companies.”

Members of the Committee shall be appointed by the Board and may be removed by the Board at any time. The Committee’s chairperson shall be designated by the Board or, if not so designated, the members of the Committee shall elect a chairperson by a vote of the majority of the full Committee. The Committee may form and delegate authority to subcommittees from time to time as it sees fit.

III. Meetings

The Committee shall meet as often as it determines, but not less than two times a year. Meetings shall be called by the chairperson of the Committee or, if there is no chairperson, by a majority of the members of the

Committee. Meetings may be held telephonically or by other electronic means to the extent permitted by the Company's organizational documents and applicable law. Committee actions may be taken by unanimous written consent.

The Committee shall maintain minutes of its meetings and records relating to those meetings.

IV. Authority and Responsibilities

To fulfill its responsibilities, the Committee shall:

1. Develop and recommend to the Board for approval the criteria for Board membership, including (a) any specific minimum qualifications that it believes must be met by a nominee for a position on the Board; (b) any specific qualities or skills that it believes are necessary for one or more of the Board members to possess and (c) the desired qualifications, expertise, experience and characteristics of Board members, with the goal of developing an experienced and highly qualified Board, and periodically review these qualifications with the Board. The criteria shall include diversity of experience and other background, demonstrated leadership, and the ability to exercise sound judgment. The backgrounds and qualifications of the directors considered as a group should provide a significant breadth of experience, knowledge and abilities to assist the Board in fulfilling its responsibilities.
2. Identify individuals qualified to become members of the Board in a manner consistent with the criteria approved by the Board and recommend to the Board the director nominees for the next annual meeting of shareholders or to fill vacancies on the Board. As part of this process the Committee shall review each director's continuation on the Board every three years. In identifying and reviewing the qualifications of candidates for membership on the Board, the Committee shall consider all factors which it deems appropriate, including the requirements of the Company's corporate governance guidelines and any other criteria approved by the Board.
3. Develop and periodically assess the Company's policies and procedures with respect to the consideration of director nominees submitted by shareholders of the Company and review the qualifications of such candidates pursuant to these policies and procedures.
4. Review and make recommendations to the Board with respect to any actual or potential conflict of interest involving a director or other circumstances that may adversely reflect upon a director, unless such actual or potential conflict of interest involves a related party transaction including, but not limited to, (a) requesting that the director should cease the conflicting activity or (b) requesting that the director submit his or her resignation from the Board if continuing service on the Board is not consistent with the criteria deemed necessary for continuing service on the Board.

5. Assist the Board in determining whether individual directors have material relationships with the Company that may interfere with their independence, to the extent such directors are required to be independent as provided under the Exchange or any other applicable regulatory requirements.
6. Review and make recommendations to the Board with respect to the size, composition and organization of the Board and committees of the Board.
7. Review and make recommendations to the Board with respect to Board process, including the calendar, agenda and information requirements for meetings of the Board and its committees, executive sessions of non-management directors and executive sessions of independent directors.
8. Review and recommend to the Board of Directors for approval the compensation of non-executive directors for their service to the Board of Directors.
9. Develop and recommend to the Board for approval a Chief Executive Officer (“CEO”) and executive officer succession plan (the “Succession Plan”), including in the event of an unexpected occurrence and, as the Committee deems appropriate, to review the Succession Plan from time to time with the CEO and any other executive officers and recommend to the Board for approval any changes to, or candidates for succession under, the Succession Plan.
10. Oversee the periodic and at least annual evaluation of the Board and its committees.
11. Develop, review and assess the adequacy of the Company’s corporate governance guidelines annually, oversee director compliance with the guidelines and recommend to the Board any changes the Committee deems appropriate.
12. Develop and maintain the Company’s orientation programs for new directors and continuing education programs for directors.
13. Review and discuss as appropriate with management the Company’s disclosures relating to director independence, governance and director nomination matters and, based on such review and discussion, determine whether to recommend to the Board that such disclosures be disclosed in the Company’s Annual Report on Form 10-K or annual proxy statement filed with the SEC, as applicable.
14. Review and assess the adequacy of this Charter periodically and at least annually and recommend to the Board any changes deemed appropriate by the Committee.
15. Review its own performance periodically and at least annually.
16. Report regularly to the Board.
17. Perform any other activities consistent with this Charter, the Company’s by-laws and governing law, as the Committee or the Board deems appropriate.

V. Resources

The Committee shall have the authority, at its sole discretion, to retain and terminate search firms to identify director candidates, consultants and any other advisors (the “Advisors”) to assist it in carrying out its duties. The chairperson of the Committee, at the request of any member of the Committee, may request any officer, team member or advisor of the Company to attend a meeting of the Committee or otherwise respond to Committee requests.

The Committee shall have the sole authority to determine the terms of engagement and the extent of funding necessary (and to be provided by the Company) for payment of compensation to any Advisor retained to advise the Committee and ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
