I would like to invite you to the 2009 Annual General Meeting (AGM) of Henderson Group plc (Henderson Group).

The AGM will take place on 11 May 2009 in Dublin, with a simultaneous broadcast to a venue in Sydney. If you cannot attend the meeting, you can listen to the AGM via our website **www.henderson.com**

This document contains the resolutions on which you are asked to vote, and also some accompanying notes that explain the business to be conducted at the Meeting. Resolutions 1 to 18 are matters typically dealt with at our AGM.

As this is the Company's first AGM, all of the Directors will be retiring and seeking reappointment at the AGM, except for Anthony Hotson who will be standing down as a Non-Executive Director at that time. Anthony has been a Director for more than six years and, on behalf of the Board, I would like to thank him for the thoughtful advice he has given to the Company and wish him well for the future.

Resolution 19 seeks shareholder approval for the Company to amend its Articles of Association by inserting a new article of association (number 232) which will allow the Company to introduce a sale facility for small shareholders (those holding ordinary shares/CDIs worth less than A\$500, approximately £225). Under the Australian Securities Exchange (ASX) Listing Rules these holdings are known as unmarketable parcels. If the new article is approved and the sale facility is implemented, the effect will be to remove small shareholders from the register through the sale of their shares, unless they take the action described below to keep their shares.

The sale facility would allow holders of unmarketable parcels to dispose of them without incurring brokerage costs which can be disproportionately high relative to the value of their shares. It would also reduce the Company's costs of managing its share register. These costs include printing and distributing documents to over 120,000 individuals, and are borne indirectly by all shareholders. Furthermore, in proposing this resolution, the Board believes that compared to other holders, holders of an unmarketable parcel are in a different position due to the small size of their holding and the disproportionate costs incurred by the Company in maintaining such a large shareholder base.

LETTER FROM THE CHAIRMAN (continued)

If shareholders approve this resolution and the Company decided to bring in a sale facility, holders of unmarketable parcels will be sent a divestment notice and will have at least six weeks to decide whether to retain their ordinary shares/CDIs. Holders wishing to retain their ordinary shares/CDIs could choose, within the period specified in the notice (which must be at least six weeks from the date the notice is sent), to retain their holding by completing and returning a share retention form or to buy additional ordinary shares/CDIs to bring their holding above the unmarketable parcel threshold of A\$500. Holders wishing to sell would not have to take any further action.

SHAREHOLDERS WITH AN UNMARKETABLE PARCEL OF SHARES SHOULD NOTE THAT, IF RESOLUTION 19 IS APPROVED BY SHAREHOLDERS AND THE COMPANY THEN IMPLEMENTED THE SALE FACILITY, AND IF HOLDERS FAILED TO TAKE THE ACTION DESCRIBED ABOVE, THEIR ENTIRE SHAREHOLDING WOULD BE SOLD WITHOUT FURTHER NOTICE, WITH THE PROCEEDS PAID TO THEM.

You should read the entire document before deciding how to vote.

Voting procedures

If you would like to vote, you may do so:

- either by attending and voting at the meeting on Monday, 11 May 2009. If you are a CDI holder and wish to attend the meeting, please read the voting instructions on page 4;
- or by appointing someone as your proxy to attend and vote for you at the meeting. To appoint someone, use either the enclosed Proxy Form/CDI Voting Instruction Form or go to the Henderson Group website at www.henderson.com to appoint someone online. Instructions about how to complete the form are set out on the front of the Proxy Form and the back of the CDI Voting Instruction Form.

There are different voting procedures depending on whether you hold your shares on the London Stock Exchange or if you have CDIs quoted on the ASX. Please read the voting instructions on pages 3 and 4 carefully to ensure you are aware of the arrangements affecting you.

Your Proxy Form or CDI Voting Instruction Form (either online or paper) needs to be lodged so that it reaches Henderson Group's share registry by the time and date specified on your form.

The Board considers all of the proposed resolutions to be in the best interests of the Company and shareholders as a whole, and recommends that you vote **FOR** all the resolutions at the AGM.

Yours sincerely

Rupert Pennant-Rea

Chairman
20 March 2009

VOTING INFORMATION FOR HOLDERS OF ORDINARY SHARES OTHER THAN CDI HOLDERS

Who can vote at the meeting?

Only those members entered in the register of members of Henderson Group plc at close of business on 9 May 2009 or, if this meeting is adjourned, in the register of members 48 hours before the time of any adjourned meeting, shall be entitled to attend and vote at the meeting in respect of the number of ordinary shares registered in their name at that time. Changes to entries in the register of members after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

How can you vote at the meeting?

You may attend the meeting in person or appoint either one or more people as proxies (who need not be a member of Henderson Group) to attend, speak and vote on your behalf. If you wish to appoint more than one proxy, please copy the enclosed Proxy Form.

Who can be a proxy?

You may appoint anyone as your proxy, including the Chairman of the meeting. A proxy need not be a shareholder of Henderson Group.

What happens if you appoint more than one proxy?

A member may appoint more than one proxy provided each proxy is appointed to exercise the rights attached to a different share or shares. If you appoint more than one proxy, then on each Proxy Form you must specify the number of shares for which each proxy is appointed. If you appoint more than one proxy, each proxy will be entitled to vote on a show of hands (when they will have one vote) and on a poll (when each proxy will have one vote for every share to which their appointment relates except in the case of a proxy appointed by the Depositary Nominee).

How do you submit your proxy instructions?

- **By internet** via the Henderson Group website at www.henderson.com. To use this facility, you will need your Control Number, unique PIN and your Shareholder Reference Number. These numbers are shown on your Proxy Form, email bulletin or Notification of Availability. You will be taken to have signed the Proxy Form if you lodge it in accordance with the instructions on the website;
- **By mail** to the Henderson Group Share Registry, using the enclosed reply-paid envelope or by posting it to: Henderson Group Share Registry, Computershare, The Pavilions, Bridgwater Road, Bristol BS99 6ZY; or
- **By CREST message**. If you are a CREST system user (including a CREST personal member) you can submit proxy instructions by having an appropriate CREST message transmitted. CREST personal members or other CREST sponsored members should contact their CREST sponsor for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and systems timings, please refer to the CREST manual. Henderson Group may be required to treat as invalid a proxy appointment sent by CREST in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.

What is the last date for appointing your proxy?

The latest time for receipt of Proxy Forms sent by mail and proxy instructions submitted via the internet is 9.00am (Dublin time) on 9 May 2009. If your proxy instructions (and any supporting documents) are not received by then, your proxy appointment will not be effective.

What if a proxy is appointed under a power of attorney or other authority?

Proxy instructions given under authority on behalf of a holder of Ordinary Shares must be submitted by mailing a Proxy Form.

If the Proxy Form is signed under a power of attorney or other authority on behalf of a shareholder, then the attorney must make sure that either the original power of attorney or other authority, or a certified copy, is sent to Henderson Group's share registry so as to arrive no later than 9.00am (Dublin time) on 9 May 2009 unless it has previously been lodged with Henderson Group's share registrars.

How does a shareholder that is a company execute the Proxy Form?

If the holder of Ordinary Shares submitting proxy instructions is a UK company, then it must execute the Proxy Form in one of the following ways:

- by having two directors or a director and a secretary of the company sign the Proxy Form;
- if the company has one director who is also the company secretary of the company (or the company does not have a secretary), by having that director sign it;
- by having a duly authorised officer or attorney sign the Proxy Form (in which case the shareholder must send with the Proxy Form the original, or a certified copy, of the document authorising the attorney or representative); or
- if the company has a common seal, by affixing the common seal in accordance with the company's constitution.

Does a proxy have to vote?

Your proxy can decide whether or not to attend the meeting and, if he or she attends, can decide whether or not to vote. Therefore, you should nominate someone you can trust. However, if a proxy attends the meeting and votes, a proxy should only vote following the voting directions given by the holder of Ordinary Shares. If no voting directions are given, a proxy may decide whether to vote in favour, against or abstain on any item of business.

Can a proxy vote in favour or against, as he or she wishes?

If the holder of Ordinary Shares appointing the proxy:

- directs the proxy how to vote on an item of business, then the proxy should only vote on that item of business in the way the holder of Ordinary Shares directed: or
- does not direct the proxy how to vote on an item of business, then the proxy may vote as he or she thinks fit on that item.

The proxy will also have discretion to vote as he or she thinks fit on any other business which may properly come before the meeting including amendments to any resolution, and at any adjourned meeting.

How will the Chairman vote as proxy if he has not been directed how to vote?

If a holder of Ordinary Shares appoints the Chairman of the meeting as proxy and does not direct the Chairman how to vote on an item of business, then when the Chairman votes as proxy on a poll, he intends to vote in favour of each of the proposed resolutions.

Persons nominated to receive information rights

The proxy rights set out above do not apply to persons nominated by a shareholder to receive information rights pursuant to Article 80 of the Company's Articles of Association. Persons nominated to receive information rights under Article 80 that have been sent this notice of meeting are hereby informed that they may have the right under an agreement with the registered shareholder by whom they were nominated to be appointed, or to have someone else appointed, as a proxy for this meeting. If they do not have such a right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the registered shareholder as to the exercise of voting rights. Nominated persons should contact the registered shareholder who nominated them in respect of these arrangements.

VOTING INFORMATION FOR CDI HOLDERS

Who can vote at the meeting?

Only those CDI holders entered in the register of CDI holders of Henderson Group plc at close of business on 9 May 2009 or, if this meeting is adjourned, in the register of CDI holders 48 hours before the time of any adjourned meeting, shall be entitled to provide voting instructions to CHES Depositary Nominees Pty Limited (CDN) in respect of the number of CDIs registered in their name at that time. Changes to entries in the register of CDI holders after that time shall be disregarded in determining the rights of any CDI holders to provide voting instructions to CDN in regard to this meeting.

How can you exercise your voting rights?

You can exercise your voting rights by directing CDN how to vote on each of the resolutions in respect of your CDIs. If instead you wish to attend the meeting (or you would like someone else to attend on your behalf), you can exercise your voting rights by submitting instructions to CDN to appoint you or your representative as proxy. Your representative can be the Chairman. You can direct your representative how to vote on each of the resolutions in respect of your CDIs at the meeting.

Who can be a proxy?

You may instruct CDN to appoint yourself or any other person (including the Chairman of the meeting) as its proxy in respect of your CDIs. A proxy need not be a shareholder of Henderson Group.

How do you submit your voting instructions?

- **By internet** via the Henderson Group website at www.henderson.com. To use this facility, you will need your Control Number and Security Holder Reference Number, which are shown on your Voting Instruction Form or Notification of Availability. You will be taken to have signed the Voting Instruction Form if you lodge it in accordance with the instructions on the website;
- **By mail** by sending the Voting Instruction Form enclosed to the Henderson Group Share Registry, using the enclosed reply-paid envelope or by posting it to Henderson Group Share Registry, GPO Box 4578, Melbourne, VIC 8060, Australia; or Private Bag 92119, Auckland 1142, New Zealand; or
- **By facsimile** by faxing the Voting Instruction Form enclosed to 03 9473 2118 in Australia or 09 488 8787 in New Zealand.

What is the last date for submitting your voting instructions?

If you are directing CDN to vote on your behalf, the latest time for receipt of Voting Instruction Forms (and any necessary supporting documents) via post or by fax or voting instructions by internet, is 6.00pm (Sydney time) on Thursday, 7 May 2009. If you are directing CDN to appoint you, the Chairman or someone else as proxy in relation to your CDIs, the latest time for receipt of Voting Instruction Forms (and any necessary supporting documents) via post or by fax, or voting instructions by internet, is 6.00pm (Sydney time) on Saturday, 9 May 2009.

What is the due date for instructing CDN to appoint a proxy on your behalf?

To instruct CDN to appoint a proxy, you will need to make sure that the Henderson Group Share Registry receives your completed Voting Instruction Form (and any necessary supporting documents) by 6.00pm (Sydney time) on Saturday, 9 May 2009. If your Voting Instruction Form (and any supporting documents) is not received by then, your proxy appointment will not be effective.

What if voting instructions are submitted under a power of attorney or other authority?

Voting Instructions given under authority on behalf of a CDI holder must be submitted by mailing or faxing the Voting Instruction Form.

If the Voting Instruction Form is signed under a power of attorney or other authority on behalf of a CDI holder, then the attorney must make sure that either the original power of attorney or other authority, or a certified copy, is sent to Henderson Group's share registry so as to arrive by the date specified on the form unless it has previously been lodged with Henderson Group's share registrars.

How does a CDI holder that is a company execute the Voting Instruction Form?

If the CDI holder executing voting instructions is a company, then it must execute a Voting Instruction Form in one of the following ways:

- by having two directors or a director and a secretary of the company sign the Voting Instruction Form;
- if the company has one director who is also the company secretary of the company (or the company does not have a secretary), by having that director sign it;
- by having a duly authorised officer or attorney sign the Voting Instruction Form (in which case the CDI holder must send with the Voting Instruction Form the original, or a certified copy, of the document authorising the attorney or representative); or
- if the company has a common seal, by affixing the common seal in accordance with the company's constitution.

Does a proxy have to vote?

Your proxy can decide whether or not to attend the meeting and, if he or she attends, can decide whether or not to vote. Therefore, you should nominate someone you can trust. However, if a proxy attends the meeting and votes, a proxy should only vote following the voting directions given by the CDI holder. If no voting directions are given, a proxy may decide whether to vote in favour, against or abstain on any item of business.

Can a proxy vote in favour or against, as he or she wishes?

If the Voting Instruction Form:

- directs the proxy how to vote on an item of business, then the proxy should only vote on that item in the way the CDI holder directed; or
- does not direct the proxy how to vote on an item of business, then the proxy may vote as he or she thinks fit on that item.

The proxy will also have discretion to vote as he or she thinks fit on any other business which may properly come before the meeting including amendments to any resolution, and at any adjourned meeting.

How will the Chairman vote as proxy if he has not been directed how to vote?

If a CDI holder instructs CDN to appoint the Chairman of the meeting as proxy and does not direct the Chairman how to vote on an item of business, then when the Chairman votes as proxy on a poll, he intends to vote in favour of each of the proposed resolutions.

- The Annual Report and Accounts (which includes the financial statements); and
- The Directors' Report and the Auditors' Report.

Shareholders will be given an opportunity at the meeting to ask questions and make comments on these reports and accounts and on the business, operations and management. At the end of the discussion, shareholders will be invited to vote to receive the reports and the accounts.

Resolution 2: Report on Directors' Remuneration

The Annual Report and Accounts for the financial year ended 31 December 2008 contains a Report on Directors' Remuneration, which sets out the remuneration policy for the Henderson Group and reports on the remuneration arrangements in place for Executive Directors, senior management and Non-Executive Directors.

The shareholder vote will be advisory only and the Board will take the outcome of the vote into consideration when reviewing and setting the Group's remuneration policy.

Resolution 3: Dividend

This Resolution seeks authority for the Company to pay a final dividend to shareholders for the financial year ended 31 December 2008, as recommended by the Directors. If approved, the dividend will be paid on 29 May 2009 to all ordinary shareholders who are on the register on 8 May 2009.

An income access share plan was put in place in 2008 to allow certain shareholders to receive income from a UK company. To the extent that the board of HGI (Investments) Limited, a UK-incorporated wholly owned subsidiary of the Company, resolves to pay a dividend on its income access share in respect of an income access share plan participant, the amount of the final dividend declared by the Company is reduced by the amount of such dividend to be paid on the income access share, and to that extent such income access plan participant will not be entitled to and will not receive a final dividend from the Company.

Resolutions 4 to 10: Reappointment of existing Directors

As this is the Company's first AGM, all the Directors will retire from office and offer themselves for reappointment to the Board except for Anthony Hotson who will be standing down as a Director at that time. Resolution 11: Reappointment of the Auditors

Resolution 12: Remuneration of the Auditors

This Resolution gives authority to the Directors to agree the Auditors' remuneration.

A summary of the Auditors' remuneration during 2008 is included in note 4.3 on page 47 of the Annual Report and Accounts.

Resolution 13: Henderson Group plc Company Share Option Plan

(a) UK CSOP

The Henderson Group plc Company Share Option Plan ("UK CSOP") was adopted by the Board on 27 August 2008 and approved by shareholders of Old Henderson Group on 30 September 2008. The UK CSOP has been approved by HM Revenue & Customs ("HMRC") under relevant legislation and confers potentially beneficial tax treatment on option holders.

Since the UK CSOP was approved by shareholders of Old Henderson Group, some minor amendments have been made to the plan rules, including to provide that options will be pro rated for early exercise on cessation of employment. These amendments were adopted by the Board with effect from 25 February 2009. However, the material terms of the UK CSOP remain the same as those approved by shareholders of Old Henderson Group on 30 September 2008.

(b) US CSOP

The rules of the Henderson US Company Share Option Plan ("US CSOP") provide for the grant of US tax-qualified market value options (known as 'Incentive Stock Options' or 'ISOs') to such US employees as selected by the Board.

The US CSOP is established in compliance with section 422 of the US Internal Revenue Code of 1986 ("Code") to provide US taxpayers with favourable US tax treatment upon the exercise of the options and once the resulting shares acquired are disposed of by the participant.

The US CSOP rules have been added as a schedule to the Company's existing UK CSOP and the terms of the US CSOP will, in all material respects, be similar to those of the UK CSOP.

Given that the key elements of the US CSOP and UK CSOP are largely the same, and to avoid unnecessary duplication, references to the "Plan" in the summary below include references to both the US CSOP and the UK CSOP. Any key differences between the US CSOP and UK CSOP are specifically noted.

Summary of the terms of the Plan

The Plan is operated on a discretionary basis by the Remuneration Committee (the "Committee"), and it is envisaged that participation will be broadly based amongst employees. Options are awarded on merit, but vesting is not subject to meeting a corporate performance condition.

Options may normally be granted (over newly issued, treasury or existing ordinary shares ("Shares")) for a period following the adoption of the Plan by the Committee and thereafter following the announcement by the Company of its financial results.

No options may be granted under the Plan after 26 February 2018. The exercise price of the options, which will be determined by the Committee, will be:

- in the case of the UK CSOP, not less than the average middle market quotation of a Share on the London Stock Exchange for the five dealing days immediately preceding the date of the grant; and
- in the case of the US CSOP, not less than the middle market quotation of a Share on the London Stock Exchange on the date prior to the date of grant of an option.

Options may normally only be exercised between the third and fifth anniversaries of the date of grant and may in no circumstances be exercised later than 10 years after the date of grant.

No options may be granted under the Plan which would, at the time of grant, cause the aggregate number of Shares, which have or may be issued under options or awards granted under all share schemes established by the Company, to exceed 10% of the Company's issued ordinary share capital in relation to options or awards granted in the previous 10 years. Treasury Shares transferred to satisfy options will count towards this limit. This limit does not apply where options granted under the Plan will, on exercise, be satisfied by a transfer of existing Shares purchased in the market. In addition, in the case of the US CSOP, US tax rules require that the Company's shareholders approve the maximum number of Shares that can be granted under the US CSOP and the employees (or class of employees) who will be permitted to participate in the Plan.

US tax rules further require that ISOs covering no more than \$100,000 worth of Shares may vest for any employee in any calendar year.

Under the Plan, the aggregate price payable on the exercise of all unexercised HMRC-approved options granted to an employee under the Plan, when aggregated with any HMRC-approved options granted under any associated company share option plans established by the Company or the Old Henderson Group (excluding Sharesave options), will not exceed £30,000.

If an optionholder leaves employment, their options will normally lapse. However, options will be exercisable early in certain circumstances, including death, injury, disability, ill-health, redundancy, retirement on or after age 55, the subsidiary or business for which the optionholder works leaving the Henderson Group or (if the Committee so decides in its absolute discretion) for some other reason. In these circumstances, options will be exercisable for a period of six months following cessation (or 12 months in the event of death) except that, in the case of the US CSOP, options exercised later than three months after cessation will lose their US tax favourable status (unless cessation is due to disability). Going forward, options exercised following cessation of employment, as set out above, will be pro-rated to take account of early exercise. Options may also be exercised in the event of a takeover of the Company (or, in certain circumstances, may be exchanged for options over shares in an acquiring company).

In the event of a variation of share capital (including capitalisation or rights issue), the Committee may adjust the number of Shares subject to options and the price payable on their exercise.

Options are not transferable other than on death. Shares allotted under the Plan will rank *pari passu* with Shares in issue at the date of exercise, save as regards any rights attaching to such Shares by reference to a prior record date. The Company will make application to the UK Listing Authority and the London Stock Exchange for Shares allotted on the exercise of any option to be admitted to such listing and trading respectively. Benefits under the Plan are not pensionable.

No amendment which is to the advantage of participants may be made to the main provisions of the Plan without the prior approval of the Company in general meeting (except for minor amendments to benefit the administration of the Plan, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control, or regulatory treatment for participants or the Company). All changes to key features of the Plan will be subject to the prior approval of HMRC and, in the case of the US CSOP, shareholder approval of any amendment to the Plan (including the US schedule) will be obtained to the extent necessary to comply with section 422 of the Code.

Approval for the purposes of ASX Listing Rule 7.1

Under ASX Listing Rule 7.1, without the approval of the Company's shareholders, the Company must not issue or agree to issue more than 15% of its shares, or securities convertible into shares (such as options), in the 12 months before the date of issue, subject to certain exceptions. ASX Listing Rule 7.2 provides a number of exceptions to this limitation. One of the exceptions (Exception 9) relates to the issue of shares or convertible securities under an employee incentive scheme (such as the UK CSOP and the US CSOP) provided that, within three years of the date of issue of the securities, shareholders have approved the issue of securities under the scheme. Accordingly, this resolution seeks this approval in respect of each of the UK CSOP and the US CSOP.

As at 18 March 2009, 9,955,000 options have been granted under the UK CSOP since the Plan was approved by shareholders of Old Henderson Group on 30 September 2008, and 939,000 options have been granted under the US CSOP. The US CSOP has not previously been approved by shareholders.

Voting exclusion statement in relation to Resolution 13

In order to obtain approval from shareholders for the purposes of ASX Listing Rule 7.2, Exception 9, the following 'voting exclusion statement' must be complied with.

The Company will disregard any votes cast on this resolution by:

- a director who is eligible to participate in the Plan; and
- an associate of a director who is eligible to participate in the Plan.

However, the Company need not disregard a vote if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

As the Directors are not eligible to participate in the Plan, the above statement will not operate to exclude any Director from voting on the resolution.

Resolution 14: Issue of options to employees

ASX Listing Rule 7.4 treats issues of equity securities (which includes options) made without prior approval under Listing Rule 7.1 as having been made with approval for the purposes of Listing Rule 7.1 if those issues did not breach Listing Rule 7.1 and if shareholders subsequently approve the issue.

Accordingly, Resolution 14 seeks the approval of shareholders for the purposes of ASX Listing Rule 7.4 to the grants to employees under (i) the UK CSOP (as amended by the Board with effect from 25 February 2009) of 9,955,000 options to acquire shares that occurred on 5 March 2009 (the "UK Employee Issue") and (ii) the US CSOP (as adopted by the Board with effect from 25 February 2009) of 939,000 options to acquire shares that occurred on 5 March 2009 (the "US Employee Issue") (together, the "Employee Issues"). Because of the amendments to the UK CSOP mentioned above, the UK Employee Issue did not fall within the exception to Listing Rule 7.1 (Exception 9) referred to above. The US Employee Issue did not come within Exception 9 to Listing Rule 7.1 as the US CSOP has only recently been adopted by the Board and is yet to be approved by shareholders.

These Employee Issues further our aim of broadening employee share ownership and thereby aligning employee interests with those of shareholders. The awards range between 2,500 options and 41,000 options and have been granted to 99% of employees. The option price of the grant is 72.6 pence for the UK CSOP and US\$1.04 for the US CSOP. Directors, including the Executive Directors, are not eligible for either the UK CSOP or the US CSOP.

The following information in relation to the options issued pursuant to the Employee Issues is required to be given to shareholders under the ASX Listing Rules:

- the number of options issued under the UK Employee Issue and the US Employee Issue was 9,955,000 and 939,000, respectively;
- the options were issued for no consideration;
- the terms of the options are described above under the heading 'Summary of the terms of the Plan'; and
- the options were issued to eligible employees under the UK CSOP or the US CSOP (as applicable).

Voting exclusion statement in relation to Resolution 14

In order to obtain approval from shareholders for the purposes of ASX Listing Rule 7.4, the following 'voting exclusion statement' must be complied with.

The Company will disregard any votes cast on this resolution by:

- an employee who participated in the Employee Issues; and
- an associate of an employee who participated in the Employee Issues.

However, the Company need not disregard a vote if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Resolution 15: Authority to allot shares

The effect of this Resolution, if passed, is to renew the existing authority which would otherwise expire at the AGM, to give the Directors authority to allot the Company's unissued ordinary shares up to a nominal amount of £33,000,000 and also to give the Directors authority to allot ordinary shares up to a nominal amount of £66,000,000 by way of a rights issue. The amount of £33,000,000 represents less than one third of the Company's issued ordinary share capital as at 18 March 2009. The amount of £66,000,000 represents less than two thirds of the Company's issued ordinary share capital as at 18 March 2009.

The Directors used the existing authority to allot 72,324,352 ordinary shares on 5 February 2009, as announced on 30 January 2009.

The Board intends to further use the existing authority to allot ordinary shares in connection with the acquisition of preference shares of New Star Asset Management Group PLC, as announced on 30 January 2009, assuming that the proposed acquisition proceeds. Otherwise, the Board has no present intention to exercise this authority.

This renewed authority would remain in force until the AGM in 2010 or 11 August 2010, whichever is the earlier. The Board has continued to seek annual renewal of this authority in accordance with best practice.

The renewal of this authority will ensure that the Board has flexibility in managing the Company's capital resources so that the Board can act in the best interests of shareholders generally.

If the Board takes advantage of the additional authority to issue shares representing more than one third of the Company's issued share capital or for a rights issue where the monetary proceeds exceed one third of the Company's pre-issue market capitalisation, all members of the Board wishing to remain in office will stand for reappointment at the next AGM following the decision to make the relevant share issue.

The Company did not hold any treasury shares as at 18 March 2009.

Resolution 16: Limited disapplication of pre-emption rights

The effect of this Resolution, if passed, is to renew the authority given to the Directors which would otherwise expire at the AGM, to allot equity securities for cash on a non pre-emptive basis (a) pursuant to a rights issue, or (b) up to an aggregate nominal amount of £4,900,000, which represents less than 5% of the issued ordinary share capital of the Company as at 18 March 2009. This will continue to empower the Company to make limited allotments of unissued equity securities of the Company or certain rights to acquire such equity securities for cash other than in accordance with the pre-emption rights in the Company's Articles of Association, which require a company to first offer allotments of equity securities for cash proportionately to existing shareholders.

This renewed authority would remain in force until the AGM in 2010 or 11 August 2010, whichever is the earlier.

The Board has continued to seek annual renewal of this authority in accordance with best practice.

In accordance with the guidelines issued by the Association of British Insurers' Pre-emption Group, the Board confirms its intention that no more than 7.5% of the issued share capital (excluding treasury shares) will be issued for cash on a non pre-emptive basis during any rolling three-year period.

Renewal of this authority will ensure that the Board has flexibility in managing the Company's capital resources so that the Board can act in the best interests of shareholders generally.

Resolution 17: Authority to purchase own shares

The Directors consider that it is advantageous for the Company to renew the authority to buy back its own shares in certain circumstances. Resolution 17, which will be proposed as a special resolution, seeks shareholders' approval of the purchase by the Company of a maximum number of shares which, taken together with any ordinary shares purchased by the Company pursuant to Resolution 18, is 75,000,000 which represents just under 10% of the Company's issued share capital as at 18 March 2009.

The authority sought by this resolution will expire at the end of the next AGM or 11 November 2010, whichever is earlier.

The Directors have no present intention to exercise this authority but will keep a possible buy-back of shares under review, taking into account the Company's financial position, share price and other investment opportunities. The Directors would use this authority only if they believe at the time that such purchase would be in the best interests of shareholders generally.

Any purchases of ordinary shares would be by means of market purchases. The resolution sets the maximum and minimum prices for any such purchases.

Ordinary shares purchased under this authority may be held as treasury shares. The Companies (Jersey) Law 1991 allows the Company to purchase and hold treasury shares in its issued capital rather than cancelling those shares. Treasury shares do not carry voting rights and have no entitlement to dividends. Treasury shares may be cancelled, sold or used to meet the Company's obligations under its employee share schemes. If treasury shares are used in the Company's employee share schemes then, so long as this is required under institutional guidance, the Company will treat them as if they were an issue of new ordinary shares for the purpose of meeting the antidilution limits applicable to such schemes.

Any ordinary shares purchased, but not held as treasury shares, would be cancelled.

Following the AGM of Old Henderson Group in 2008, Old Henderson Group did not buy back any ordinary shares of 12.5 pence each and, since listing, the Company has not bought back any ordinary shares of 12.5 pence each.

As at 18 March 2009, there were 14,706,377 options over unissued ordinary shares in the Company outstanding under the Company's share schemes which represents 1.84% of the Company's issued capital at that date. If the Company was to purchase the maximum number of ordinary shares permitted under this Resolution and under Resolution 18, these options would then represent 2.03% of the Company's issued share capital.

The proportion of ordinary shares to be bought back pursuant to each of this Resolution and Resolution 18 will be determined by the Directors in what they believe to be in the best interests of shareholders generally.

Resolution 18: Contingent Purchase Contract

The Directors consider that it is advantageous for the Company to renew the authority to 'buy back' interests in its own CHES Depositary Interests (CDIs) in certain circumstances. However, as CDIs are interests in shares, rather than shares themselves, the Companies (Jersey) Law 1991 provisions which provide for a buy back of shares do not apply to CDIs. The Company, therefore, cannot buy CDIs pursuant to Resolution 17.

The Company wishes to achieve a similar result by entering into a Contingent Purchase Contract (CP Contract) with Credit Suisse (Australia) Limited and certain of its affiliates (Credit Suisse) as identified in the CP Contract. It is proposed that Credit Suisse will buy the CDIs in Australia and then convert the CDIs into ordinary shares (Converted Shares). The Company would then have an obligation to buy any Converted Shares from Credit Suisse up to a maximum amount as explained below.

Article 57 of the Companies (Jersey) Law 1991 provides that any such purchase of shares must be approved by shareholders by special resolution and they must also approve the CP Contract. The Company seeks authority by way of a special resolution to enter into the CP Contract to buy back up to a maximum number of Converted Shares as explained below.

The maximum number of Converted Shares which could be bought back by the Company, together with the number of ordinary shares bought back by the Company under Resolution 17, would be limited to 75,000,000 which represents just under 10% of the Company's issued share capital as at 18 March 2009.

Under the terms of the CP Contract, the minimum price (exclusive of expenses) which can be paid by Credit Suisse for a CDI is the Australian dollar equivalent of 12.5 pence per CDI and the maximum price which can be paid by Credit Suisse for a CDI is an amount (exclusive of expenses) which is equal to 105% of the average of closing prices for CDIs over the previous five days on which sales of CDIs were recorded on the Australian Securities Exchange ("ASX"). The price to be paid by the Company for a Converted Share is the price paid by Credit Suisse for the relevant CDI plus any stamp duty, stamp duty reserve tax, or other applicable transfer tax relating to the CDIs purchased by Credit Suisse.

The authority sought by this resolution will expire at the end of the next AGM or 11 November 2010, whichever is earlier.

The Directors would use this authority only if they believe at the time that such purchase would be in the best interests of shareholders generally.

Converted Shares purchased under this authority may be held as treasury shares. The Companies (Jersey) Law 1991 allows the Company to purchase and hold treasury shares in its issued capital rather than cancelling those shares. Treasury shares do not carry voting rights and have no entitlement to dividends. Treasury shares may be cancelled, sold or used to meet the Company's obligations under its employee share schemes. If treasury shares are used in the Company's employee share schemes then, so long as this is required under institutional guidance, the Company will treat them as if they were an issue of new ordinary shares for the purpose of meeting the antidilution limits applicable to such schemes.

Any Converted Shares purchased, but not held as treasury shares, would be cancelled.

As at 18 March 2009, there were 14,706,377 options over unissued ordinary shares in the Company outstanding under the Company's share schemes which represents 1.84% of the Company's issued capital at that date. If the Company was to purchase the maximum number of shares permitted under this Resolution and under Resolution 17, these options would then represent 2.03% of the Company's issued share capital.

A draft of the CP Contract referred to in Resolution 18 is available for inspection by members of the Company at the Company's registered office and also at 201 Bishopsgate, London EC2M 3AE from and including 30 March 2009 up to and including 11 May 2009 and will be available at the AGM itself.

The proportion of shares to be bought back pursuant to each of this Resolution and Resolution 17 will be determined by the Directors in what they believe to be in the best interests of shareholders generally.

Resolution 19: Amendment of Articles of Association – sale of small holdings

It is proposed that the Company amends its Articles of Association in order to adopt a new Article of Association (Article 232) that would enable the Company to implement a sale facility for holders of a small number of ordinary shares or CDIs. This resolution is being proposed as a special resolution.

The proposed Article 232 is permitted under the ASX Listing Rules and will enable the Company to reduce its shareholder servicing costs by implementing a sale facility for holders of ordinary shares or CDIs worth less than A\$500 or equivalent (approximately £225 based on an exchange rate of A\$1=£0.45) ("Facility"). Such a Facility will also provide those holders with an opportunity to dispose of their holding without incurring brokerage costs (which can be disproportionately high for small holdings).

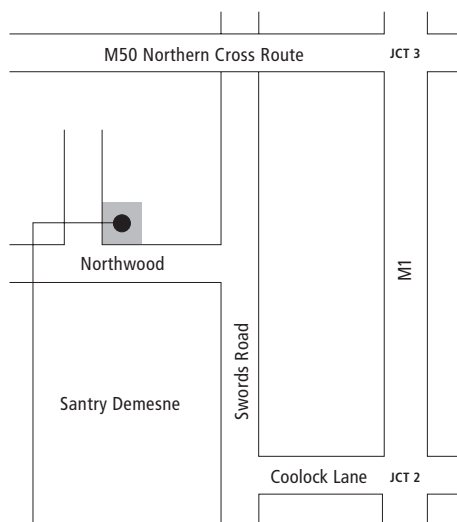

As at 18 March 2009, the Company had approximately 124,000 shareholders (this includes holders of ordinary shares listed on the London Stock Exchange and holders of CDIs quoted on the ASX). Based on a CDI price of A\$1.57 at close of business on 18 March 2009, approximately 87,000 ordinary shareholders and CDI holders (combined) had a holding worth less than A\$500, or the equivalent at that date, i.e. a holding of 318 or fewer securities. A holding worth less than A\$500 is considered an unmarketable parcel of securities for the purposes of the ASX Listing Rules. As at 18 March 2009, the ordinary shares and CDIs held in unmarketable parcels, in aggregate, represented approximately 2.92% of the Company's issued share capital.

If the resolution is approved by shareholders, the Company will consider implementing a Facility in 2009, subject to market conditions. If no Facility is offered during 2009, the Company may implement a Facility at an appropriate time in the future. If a Facility is offered, all ordinary shareholders and CDI holders with an unmarketable parcel at the relevant date will be given a written notice that their ordinary shares, or the ordinary shares underlying their CDIs, will be sold on their behalf. Ordinary shareholders and CDI holders wishing to participate in the Facility should take no action, in which case the Company will arrange for their shares (or the ordinary shares underlying their CDIs) to be sold and the proceeds of sale to be paid to them, with the Company bearing all brokerage and associated costs of sale (although the Company will not be liable for any income or capital gains tax liability arising as a result of the sale). Ordinary shareholders and CDI holders who receive a written notice and who wish to retain their shares or CDIs must, within the period specified in the notice (which must be at least six weeks from the date the notice is sent), either:

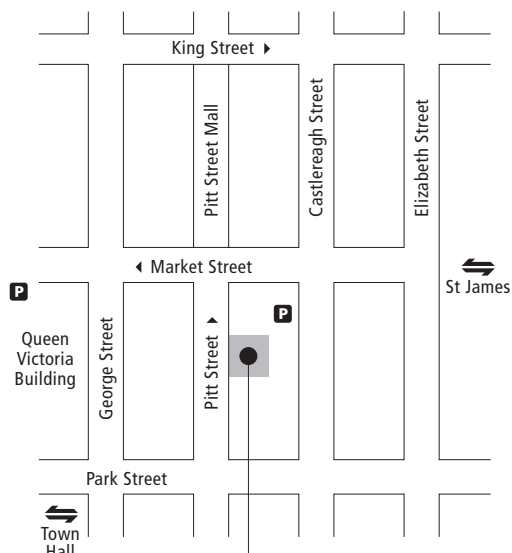

- return a Share Retention Election form to the Company; or
- purchase additional ordinary shares/CDIs to bring their holding above the unmarketable parcel threshold of A\$500.

The Company will only be able to implement the Facility once during any 12-month period in respect of a particular ordinary shareholder or CDI holder.
