

NEWS RELEASE

TE Connectivity CEO to present at the Baird 2026 Global Industrials Conference

2026-10-21

GALWAY, Ireland, Oct. 21, 2026 /PRNewswire/ -- Terrence Curtin, chief executive officer of TE Connectivity plc (NYSE: TEL), a global leader in connectors and sensors, is scheduled to speak at the Baird 2026 Global Industrials Conference.

Curtin will participate in a fireside chat at the conference on Wednesday, Nov. 11, 2026, at 7:55 a.m. CST. A live webcast of the discussion will be available on the investor relations portion of TE Connectivity's website, accessible at this [link](#).

A replay of the fireside chat will be available in the events section of the investor relations portion of TE Connectivity's website at investors.te.com.

About TE Connectivity

TE Connectivity plc (NYSE: TEL) is a global industrial technology leader creating a safer, sustainable, productive, and connected future. As a trusted innovation partner, our broad range of connectivity and sensor solutions enable the distribution of power, signal and data to advance next-generation transportation, energy networks, automated factories, data centers enabling artificial intelligence, and more. Our more than 90,000 employees, including 10,000 engineers, work alongside customers in approximately 130 countries. In a world that is racing ahead, TE ensures that EVERY CONNECTION COUNTS.
