About FIGS

FIGS is a founder-led, direct-to-consumer healthcare apparel and lifestyle brand that seeks to celebrate, empower and serve current and future generations of healthcare professionals. We create technically advanced apparel and products that feature an unmatched combination of comfort, durability, function and style. We share stories about healthcare professionals' experiences in ways that inspire them. We build meaningful connections within the healthcare community that we created. Above all, we seek to make an impact for our community, including by advocating for them and always having their backs.

We serve healthcare professionals both in the U.S. and internationally. We also serve healthcare institutions through our TEAMS platform.
