Forward-Looking Statements

Except for the historical information contained herein, this press release contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements reflect the Company's current expectations with respect to currently available operating, financial and economic information. These forward-looking statements are subject to certain risks, uncertainties and assumptions that could cause actual results to differ materially from those anticipated in or implied by the forward-looking statements. These forward-looking statements are generally identified with words such as "believe," "expect," "intend," "plan," "project," "could," "may," "aim," "anticipate," "target," "estimate" and similar expressions.

These forward-looking statements include, but are not limited to, discussions about future financial and operating results, including: expected benefits from any divestiture transaction; disruption to the parties' business as a result of the announcement or completion of any divestiture transaction; the Company's ability to successfully complete any planned divestiture; expected timing for the closing of any divestitures; expected proceeds from any divestiture; the intended use of proceeds by the Company from any divestiture transaction; impact of any divestiture transaction on the Company's stock price or EPS; growth expectations for maintenance products; expected levels of promotional and advertising spending; anticipated input costs for manufacturing and the costs associated with distribution of our products; plans for and success of product innovation, the impact of new product introductions on the growth of sales; anticipated results from product line extension sales; expected tax rates and the impact of tax legislation and regulatory action; changes in the geopolitics and political conditions or relations between the United States and other nations; changes in trade policies and tariffs and the impact therefrom; the impacts from inflationary trends; the impacts from supply chain constraints and supply chain disruptions; changes in interest rates; and forecasted foreign currency exchange rates and commodity prices and specialty chemicals.

The Company's expectations, beliefs and forecasts are expressed in good faith and are believed by the Company to have a reasonable basis, but there can be no assurance that the Company's expectations, beliefs or forecasts will be achieved or accomplished. All forward-looking statements reflect the Company's expectations as of August 17, 2026. We undertake no obligation to revise or update any forward-looking statements.

Actual events or results may materially differ from those projected in forward-looking statements due to various factors, including, but not limited to, those identified in Part I—Item 1A, “Risk Factors,” in the Company’s Annual Report on Form 10-K for the fiscal year ended August 31, 2025 which the Company filed with the SEC on October 27, 2025, and in the Company’s Quarterly Report on Form 10-Q for the period ended May 31, 2026, which the Company filed with the SEC on July 9, 2026.
