JBT Corporation Announces Contract Awards for Cooking and Freezing Solutions

CHICAGO, Feb. 25, 2013 /PRNewswire/ -- [JBT Corporation](#) (NYSE: JBT) announced today that its [JBT FoodTech](#) business signed contracts exceeding \$4 million for the supply of new [cooking](#) and [freezing](#) solutions to a North American-based retail food products company.

JBT FoodTech will supply and integrate Double D™ Revoband grill marker and ovens as well as Frigoscand® GYRoCOMPACT® M10 freezer and LVS refrigeration feed system for the production of frozen meat and packaged products.

"We are very pleased with the confidence this order expresses in JBT's leading cooking, freezing and refrigeration technologies," stated Torbjorn Arvidsson, Vice President and Division Manager for JBT FoodTech's Food Solutions and Services Division.

The project is currently scheduled to be operational in the third quarter of 2013.

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment. JBT Corporation employs approximately 3,200 people worldwide and operates sales, service, manufacturing and sourcing operations located in over 25 countries.
