JBT Corporation Announces Major FoodTech Order Exceeding \$5 Million

CHICAGO, June 6, 2012 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) announced today that its JBT FoodTech business signed a contract in excess of \$5 million for the refurbishment of freezing equipment at a U.S.-based food processing plant.

JBT FoodTech will supply and support the major modification of existing freezing equipment to meet USDA's stringent freezing standards for processed foods customers.

"We are very pleased with the confidence this order expresses in JBT's freezing technologies leadership and our proven track record for technical support and field services," said Torbjorn Arvidsson, Vice President and Division Manager for JBT FoodTech's Food Solutions and Services Division.

The project is scheduled to be fully operational in the fourth quarter of 2012.

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment. JBT Corporation employs approximately 3,300 people worldwide and operates sales, service, manufacturing and sourcing operations located in over 25 countries.
