JBT Corporation Awarded Major Airport Services Contract

CHICAGO, May 9, 2012 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) announced today that its JBT AeroTech business has been awarded a new airport services and maintenance contract by the Dallas/Fort Worth (DFW) International Airport Board. The base four year contract is expected to generate in excess of \$18 million in revenue over the contract period.

JBT AeroTech will provide comprehensive facility maintenance services including mechanical, electrical, plumbing, structural, and ramp services at DFW Airport Terminal E.

"We are very pleased to continue our relationship with the Dallas/Fort Worth International Airport through this new airport services contract," said John Lee, Vice President and Division Manager for JBT AeroTech. "This contract is a demonstration of the ongoing customer satisfaction with JBT's airport services and support offering."

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment. JBT Corporation employs approximately 3,300 people worldwide and operates sales, service, manufacturing and sourcing operations located in over 25 countries.
