

JBT Corporation Announces Order for Halvorsen 25K Loaders

CHICAGO, March 27, 2012 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) announced today that its JBT AeroTech business has been awarded a contract exceeding \$5.5 million for Halvorsen 25K Loaders. The Halvorsens will be used to support the C-17A Globemaster III heavy transport aircraft recently acquired under the U.S. Government's Foreign Military Sales program by the Indian Air Force.

The Halvorsen 25K Loader is used to load, unload and transport palletized cargo on both military and commercial aircraft. JBT AeroTech has now delivered over 490 Halvorsen 25K Loaders to the United States military and international forces.

"We are very pleased to support the logistics needs of the Indian Air Force through our Halvorsen program," said John Lee, Vice President and Division Manager, JBT AeroTech. "The Halvorsen 25K Loader was designed for rapid deployment and has proven to be very reliable under the most rigorous and demanding of conditions."

Delivery is scheduled to be completed by the second quarter of 2013.
