## **JBT Corporation Awarded \$8+ Million Equipment Order for Wichita Mid-Continent Airport**

CHICAGO, July 31, 2014 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) announced today that its **JBT AeroTech** business has been awarded a contract exceeding \$8 million to supply gate equipment for the Wichita Mid-Continent Airport. The order, placed by the Wichita Airport Authority, includes glass-sided Jetway® passenger boarding bridges, JetAire® preconditioned air units and Jetpower® 400 Hz ground power units.

This is one of the largest orders for glass-walled boarding bridges in the United States.

"This is a great opportunity for the City of Wichita to showcase its airport with state-of-the-art glass boarding bridges. Jetway bridges are designed to accommodate various aesthetic configurations including steel, aluminum panels and glass. This will be a significant installation of the Jetway glass bridge design in the United States," said Dave Burdakin, President, JBT AeroTech.

The Company anticipates installing most of the equipment starting in Q4 2014. The project is phased, with most of the glass passenger boarding bridge gates becoming operational in mid-February 2015 and the final few to be operational in January 2016.
