JBT Corporation Awarded \$5 Million Gate Equipment Order at San Francisco International Airport

CHICAGO, July 24, 2013 /PRNewswire/ -- [JBT Corporation](#) (NYSE: JBT) today announced that its [JBT AeroTech](#) business received a gate equipment order in excess of \$5 million at the San Francisco International Airport (SFO). The contract, placed by the Hensel Phelps Construction Co., is for the supply of ten new [Jetway® Passenger Boarding Bridges](#).

The Jetway® passenger boarding bridges are a key part of the SFO Terminal 3 Boarding Area E Improvements Project recently begun to create an environmentally-sustainable facility with world-class passenger amenities.

"We are very pleased to renew our relationship with Hensel Phelps Construction Co. and continue our relationship with the San Francisco International Airport, following in the footsteps of the successful Terminal 2 project," said John Lee, Vice President and Division Manager, JBT AeroTech.

JBT AeroTech will complete installation of the bridges in the first quarter of 2014.
