

JBT Corporation Awarded Airport Services and Maintenance Contract at Washington Dulles International Airport

CHICAGO, June 20, 2011 /PRNewswire via COMTEX/ --**JBT Corporation** (NYSE: JBT) announced today that its JBT AeroTech business has been awarded a new airport services contract with the Metropolitan Washington Airports Authority (MWAA) at Washington Dulles International Airport. The base two-year contract includes options for three additional years and, assuming exercise of each of the option years, is expected to generate in excess of \$10.5 million in revenue over the five-year period.

JBT AeroTech will both operate and provide comprehensive maintenance services and support for the baggage handling systems that MWAA owns at Dulles.

"We are pleased to expand our relationship with the Metropolitan Washington Airports Authority through this new airport services contract," said John Lee, Vice President and Division Manager for JBT AeroTech. "This contract is a demonstration of the ongoing customer satisfaction with JBT's airport services and support offering."

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment.
