JBT Corporation Awarded Airport Services Contract at Salt Lake City International Airport

CHICAGO, June 28, 2013 /PRNewswire/ -- [JBT Corporation](#) (NYSE: JBT) announced today that its JBT AeroTech business has been awarded a new [airport services](#) contract with the Salt Lake City Corporation at Salt Lake City International Airport (SLC). The base three-year contract includes options for two additional years and, assuming exercise of each of the option years, is expected to generate in excess of \$4 million in revenue over the five-year period.

JBT AeroTech will provide comprehensive maintenance services and support for the baggage handling systems at SLC.

"We are pleased to expand our relationship with the Salt Lake City Corporation through this new airport services contract," said John Lee, Vice President and Division Manager for JBT AeroTech. "This contract is a demonstration of the ongoing customer satisfaction with JBT's airport services and support offering."

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment. JBT Corporation employs approximately 3,200 people worldwide and operates sales, service, manufacturing and sourcing operations located in over 25 countries.
