JBT Corporation Wins Gate Equipment Order for Major Middle East Airports

CHICAGO, Dec. 6, 2012 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) today announced that its [JBT AeroTech](#) business has received notification of contract award and an authorization to commence work on a project exceeding \$20 million for the Sultanate of Oman Ministry of Transport and Communications. The order includes the supply of forty [Jetway® passenger boarding bridges](#) for the new terminal at Muscat International Airport and eight Jetway® passenger boarding bridges for the new terminal at Salalah Airport.

The Jetway® boarding bridges will support the airport development projects in both Muscat and Salalah, Oman to meet the continued growth in international and regional air travel and tourism. Both projects' design includes additional future opportunities for expansion when required by growth and demand.

"We are very pleased to be a part of these important regional development programs through the building of new airport terminals in the Sultanate of Oman," said John Lee, Vice President and Division Manager, JBT AeroTech.

JBT AeroTech received notification in the third quarter of 2012 and anticipates installation of the gate equipment to be completed in the second quarter of 2014.
