

JBT Corporation Wins \$7 Million Gate Equipment Order for Major U.S. Airport

CHICAGO, Nov. 16, 2011 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) today announced that its JBT AeroTech® business has been awarded a contract in excess of \$7 million to supply gate equipment for the Cincinnati/Northern Kentucky International Airport (CVG). The contract, placed by The Quandel Group, Inc. includes the supply of ten refurbished Jetway® passenger boarding bridges, sixteen JetAire® air handling units, and other site-related refurbishment work.

JBT AeroTech's gate equipment is part of the overall \$31 million Terminal 3 Consolidation/Concourse 'A' Reactivation Project intended to modernize the existing facilities and position the airport for future growth.

"We are pleased to partner with CVG in its efforts to enhance the traveling experience for its passengers and airline partners," said John Lee, Vice President and Division Manager, JBT AeroTech.

JBT anticipates installation of the gate equipment to be completed by the third quarter of 2012.
