

JBT Corporation Announces Award of New Tomato Processing Project in China

CHICAGO, Jan. 11, 2011 /PRNewswire via COMTEX/ --**JBT Corporation** (NYSE: JBT) announced today that its JBT FoodTech business signed a Euro 6.3 million (approximately US \$8 million) contract with China Haohan Group Ltd. JBT FoodTech will supply the equipment, including evaporation, flash cooling and aseptic sterilization technologies, to provide high capacity production of tomato paste for a new plant in the Xinjiang Province of China. China Haohan Group is one of the largest producers and exporters of tomato paste in China.

"We are very pleased with Haohan's confidence in JBT's leading tomato processing technology, customer service, and support capabilities," said Juan Podesta, Vice President and General Manager for JBT FoodTech's Food Processing Systems Division.

The order was received in the fourth quarter of 2010 with the project currently scheduled to be operational in the third quarter of 2011.

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment. JBT Corporation employs approximately 3,300 people worldwide and operates sales, service, manufacturing and sourcing operations located in over 25 countries.
