## **JBT Corporation Announces United States Air Force Contracts for Halvorsen 25K Services**

CHICAGO, April 15, 2014 /PRNewswire/ -- [JBT Corporation](#) (NYSE: JBT) announced today that its [JBT AeroTech](#) business has been awarded services contracts totaling more than \$7 million by the United States Air Force to support their fleet of [Halvorsen 25K cargo loaders](#). The services contracts continue through March 2015.

The Halvorsen 25K Loader is used by the military to load, unload and transport palletized cargo as well as rolling stock (vehicles) on both military and commercial cargo aircraft. JBT AeroTech has now delivered over 500 Halvorsen 25K Loaders to the United States Air Force, Navy, Army and other international forces.

"We are very proud to continue supporting the U.S. Air Force's mission critical engineering and logistics needs through our Halvorsen program," said David Burdakin, Vice President and Division Manager, JBT AeroTech. "The Halvorsen loader has proven to be extremely reliable during the most rigorous military operations and humanitarian airlift missions over the past decade."
