JBT Corporation Announces Contract Award for Canning Technologies

CHICAGO, April 8, 2013 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) announced today that its [JBT FoodTech](#) business has signed contracts in excess of \$7 million with a global food processor.

JBT FoodTech will supply and integrate high speed [filling](#) and [closing](#) groups and a [rotary sterilizer](#) line to enable the processing of canned goods.

"We are very pleased with the confidence this order expresses in JBT's leading canning technologies," said Steve Smith, Vice President and General Manager for JBT FoodTech's Food Processing Systems Division. "This is another excellent example of how JBT FoodTech supports our customers in developing and expanding the industries in which they serve."

The project is scheduled for completion by the fourth quarter of 2013.

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment. JBT Corporation employs approximately 3,200 people worldwide and operates sales, service, manufacturing and sourcing operations located in over 25 countries.
