

## **JBT Corporation Wins \$5 Million Gate Equipment Order for Major U.S. Airport**

CHICAGO, Oct. 25, 2011 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) today announced that its JBT AeroTech business has been awarded a contract in excess of \$5 million to supply gate equipment for the Myrtle Beach International Airport (MYR). The contract, placed by Horry County, South Carolina, includes the supply of eight new Jetway® passenger boarding bridges, eight JetAire® preconditioned air units, eight Jetpower® ground power units and other ancillary products.

This contract is a part of MYR's overall estimated \$130 million "Terminal Capacity Enhancement Program" to upgrade the existing terminal facilities and add a new terminal in order to meet the unprecedented regional air traffic growth experienced over the past decade.

"We are pleased to continue our relationship with Horry County and to be a part of this important investment in Myrtle Beach's future," said John Lee, Vice President and Division Manager, JBT AeroTech. "We look forward to a continued partnership in serving the region's growing air service demands."

JBT AeroTech anticipates installation of the gate equipment to be completed in the first quarter of 2012.
