JBT Corporation Announces Contract Award for Cooking and Freezing Technologies

CHICAGO, Aug. 3, 2012 /PRNewswire/ -- [JBT Corporation](#) (NYSE: JBT) announced today that its [JBT FoodTech](#) business signed a contract in excess of \$4 million with a global frozen food provider.

JBT FoodTech will supply and integrate a new [cooking](#) and [freezing](#) line, including a multi-module Revoband™ oven, GYRoCOMPACT® M7 freezer and LVS FRIGoPAK® refrigeration system, for the production of oven-ready frozen foods.

"This project is another excellent example of how JBT FoodTech partners with our customers to provide customized cooking and freezing solutions tailored to meet their specific end product needs," stated Torbjorn Arvidsson, Vice President and Division Manager for JBT FoodTech's Food Solutions and Services Division.

The order was received in the second quarter of 2012 with the project currently scheduled to be operational in the fourth quarter of 2012.

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment. JBT Corporation employs approximately 3,200 people worldwide and operates sales, service, manufacturing and sourcing operations located in over 25 countries.
