JBT Corporation Wins \$4 Million Guam International Airport Gate Equipment Order

CHICAGO, Aug. 28, 2013 /PRNewswire/ -- **JBT Corporation** (NYSE: JBT) today announced that its [JBT AeroTech](#) business was awarded a contract exceeding \$4 million by the A.B. Won Pat International Airport Authority, Guam.

JBT AeroTech will supply seventeen new [JetAire® preconditioned air units](#), seventeen [JetPower® ground power units](#) and associated spare parts to support installation and operation of the equipment at Guam International Airport. The new point-of-use air and power units will be a key part of improving the airport's utility infrastructure for supporting aircraft ground operations and will be fully compatible with existing JBT AeroTech passenger boarding bridges.

"We are very pleased to continue our relationship with the Guam International Airport and support their ongoing modernization and expansion projects," said John Lee, Vice President and Division Manager, JBT AeroTech.

JBT AeroTech anticipates the project to be completed by the fourth quarter of 2013.

JBT Corporation (NYSE: JBT) is a leading global technology solutions provider to the food processing and air transportation industries. JBT Corporation designs, manufactures, tests and services technologically sophisticated systems and products for regional and multi-national industrial food processing customers through its JBT FoodTech segment and for domestic and international air transportation customers through its JBT AeroTech segment.
