Power Integrations Earns Great Place To Work Certification for Third Consecutive Year

2024-12-11

SAN JOSE, Calif.--(BUSINESS WIRE)-- Power Integrations (Nasdaq: **POWI**), the leader in high-voltage integrated circuits for energy-efficient power conversion, today announced that it has been Certified™ by Great Place To Work ® for a third consecutive year. In a recent anonymous survey, 87 percent of employees said that Power Integrations is a great place to work—30 points higher than the average U.S. company. Additionally, 89 percent reported feeling that they make a difference at the company, while 88 percent said they felt proud to tell others that they work at Power Integrations.

Commented Balu Balakrishnan, chairman and CEO of Power Integrations: “We are delighted to be recognized with Great Place To Work Certification for the third year in a row. I am especially pleased that so many of our employees feel proud to work at Power Integrations. This reflects the fact that our products are not only breaking new ground in our industry, but also making a meaningful contribution to the health of our planet by reducing energy consumption and enabling the generation and transmission of clean energy.”

Power Integrations currently has numerous job openings across North America, Europe and Asia. Interested job seekers can visit the “ **Careers** ” page of the Power Integrations website.
