

NEWS RELEASE

StablecoinX Inc. to Participate in the 28th Annual H.C. Wainwright Global Investment Conference in New York

2026-09-09

NEW YORK, Sept. 09, 2026 (GLOBE NEWSWIRE) -- StablecoinX Inc. (Nasdaq: USDE), the first public stablecoin infrastructure company focusing on the Ethena digital dollar ecosystem, today announced that its newly appointed Chief Executive Officer, Christopher Jensen, along with additional members of the Company's leadership team, will host one-on-one investor meetings at the 28th Annual H.C. Wainwright Global Investment Conference on September 14–16, 2026, at the Lotte New York Palace Hotel in New York City. The conference marks Mr. Jensen's first formal investor engagement since assuming the Chief Executive Officer role on September 8, 2026.

"Ethena has built one of the largest synthetic dollar systems in digital assets, and institutional demand for it is running ahead of the infrastructure available to serve it," said Christopher Jensen, Chief Executive Officer of StablecoinX. "StablecoinX exists to close that gap. New York is the first chance to explain how."

Investors interested in scheduling a meeting with StablecoinX's management team should contact their H.C. Wainwright representative or email meetings@hcwco.com.

About StablecoinX

StablecoinX Inc. (Nasdaq: USDE) is a publicly traded company offering investors exposure to the stablecoin economy through its strategic focus on the Ethena ecosystem, one of the world's largest issuers of digital dollars. The Company operates across infrastructure services, infrastructure software, and distribution services, each purpose-built to advance and scale the Ethena ecosystem. As stablecoins increasingly serve as foundational infrastructure for global payments, decentralized finance, and digital capital markets, StablecoinX combines the

accessibility of a public listing with direct participation in one of the fastest-growing segments of global finance.
