

# EagleRock Announces Pricing of Initial Public Offering

2026-05-13

HOUSTON--(BUSINESS WIRE)-- EagleRock Land, LLC ("EagleRock"), a leading land management royalty company that controls surface acreage in the core of the Permian Basin providing access to land, resources, and infrastructure for critical industries, today priced its initial public offering of 17,300,000 Class A shares representing limited liability company interests ("Class A shares") at a price to the public of \$18.50 per Class A share. In addition, EagleRock granted the underwriters a 30-day option to purchase up to an additional 2,595,000 Class A shares at the public offering price, less underwriting discounts and commissions. The Class A shares are expected to begin trading on the New York Stock Exchange ("NYSE") and NYSE Texas, Inc. ("NYSE Texas") under the ticker symbol "EROK" on May 14, 2026. The offering is expected to close on May 15, 2026, subject to the satisfaction of customary closing conditions.

EagleRock expects to receive net proceeds from the offering of approximately \$286.6 million, or \$331.3 million if the underwriters exercise their option to purchase additional Class A shares in full, after deducting underwriting discounts and commissions, placement agent fees and estimated expenses payable by EagleRock.

Goldman Sachs & Co. LLC, Barclays and J.P. Morgan are acting as lead book-running managers for the offering. Additional book-running managers for the offering are Piper Sandler and Raymond James. Pickering Energy Partners, Stephens Inc. and Texas Capital Securities are acting as co-managers for the offering.

A registration statement relating to the Class A shares offered in the initial public offering has been filed and was declared effective by the U.S. Securities and Exchange Commission on May 13, 2026 (the "Registration Statement"). The offering of these securities is being made only by means of a prospectus that meets the requirements of Section 10 of the Securities Act of 1933, as amended.
