

EagleRock to Report Second Quarter 2026 Results on August 10, 2026

2026-07-31

HOUSTON--(BUSINESS WIRE)-- EagleRock Land, LLC ("EagleRock" or the "Company"), a leading land management royalty company that controls surface acreage in the core of the Permian Basin providing access to land, resources, and infrastructure for critical industries, today announced that it will report 2026 second quarter results after market close on Monday, August 10, 2026.

The Company will host an earnings conference call the following day, August 11, at 10am ET / 9am CT to discuss the financial results and business highlights. Speakers on the call are expected to include Gregory Pipkin Jr., Chief Executive Officer, and Neal Shah, President and Chief Financial Officer.

The conference call will be webcast live on the "Events & Presentations" section of the Company's investor relations (IR) website at <https://ir.erok.com/>. Additionally, a replay will be available shortly after the call's conclusion. Analysts looking to participate in Q&A can access the call by dialing (833) 461-5787 or (585) 542-9983 and entering 516 046 936 as the meeting ID.

About EagleRock

EagleRock (NYSE: EROK) is a land management company that owns or controls approximately 236,000 acres in the heart of the Delaware and Midland sub-basins within the prolific Permian Basin. In addition, EagleRock has an interest in up to approximately 70,000 acres pursuant to an acreage dedication related to its Midland Basin water infrastructure assets. Its acreage is vital to the efficient development of oil and natural gas resources in the Permian Basin and is strategically located to support the growing surface, resource, infrastructure and related commercial development needs of the power and other emerging industries in the Permian Basin.
