

BATTLE NORTH GOLD

CAREER OPPORTUNITY

About Battle North Gold

Battle North Gold is a Canadian gold mine developer led by an accomplished management team with successful underground gold mine operations, finance, and capital markets experience. Battle North owns the significantly de-risked and shovel-ready **Bateman Gold Project**, located in the renowned Red Lake gold district in Ontario, Canada and controls the strategic and second largest exploration ground in the district. Battle North also owns a large gold exploration land package on the Long Canyon gold trend near the Nevada-Utah border in the United States.

Exploration Geologist – 2020-EGG (Regional Exploration)

Bateman Gold Project

Reporting to the **Senior Exploration Geologist**, the **Exploration Geologist** will be responsible for safety, project execution, exploration programs and drill target generation as assigned by the Senior Exploration Geologist for the Regional Exploration team at Battle North Gold – Bateman Gold Project. This position will work a **local 5x2, 8-hour shift schedule** offering a great work/life balance.

Responsibilities

- Assist in development of a strategic exploration plan and budget to contribute resources at the Bateman Gold Project.
- Adhere to the industry exploration best practices and processes pertaining to your area/projects.
- Practical application of software, drill target generation, geologic interpretation, cost tracking/monitoring and contractor management.
- Liaise with production geology, resource geology, engineering, contractors and environmental teams fostering good communication and teamwork.
- Assist in completion of weekly, monthly and quarterly exploration geology reports and monthly budgeting reports.
- Completed detailed exploration maps, cross sections, 3D models, etc.
- Work in a healthy work environment with full support, cooperation and commitment to satisfy our operation's goal of being accident-free.
- Comply with federal and provincial acts, regulations, and legal requirements.
- Adhere to all company policies and procedures.
- Perform other duties as assigned.

Requirements

- Minimum of Bachelor of Science Degree in Geology
- Master's degree is beneficial
- Must be registered as a Professional Geologist or GIT (Geologist in Training) and eligible to switch registration to Ontario.
- A total of 2-5 years of experience is required. Exploration experience is beneficial.
- Extensive background and understanding of Archean greenstone properties.

How to Apply

Applications close on **Friday, December 18, 2020**. Please submit your resume via email to HR@battlenorthgold.com and refer to Job Number **2020-EGG**. As an equal opportunity employer, Battle North Gold is committed to diversity, inclusion, and accessibility or any other category protected by the Canadian or Provincial laws and regulations.
