

CAREER OPPORTUNITY

About Battle North Gold

Battle North Gold is a Canadian gold mine developer led by an accomplished management team with successful underground gold mine operations, finance, and capital markets experience. Battle North owns the significantly de-risked and shovel-ready **Bateman Gold Project**, located in the renowned Red Lake gold district in Ontario, Canada and controls the strategic and second largest exploration ground in the district. Battle North also owns a large gold exploration land package on the Long Canyon gold trend near the Nevada-Utah border in the United States.

Health & Safety Coordinator – 2020-HSC (Safety, Training & Security) Bateman Gold Project

Reporting to the **General Manager**, the **Health & Safety Coordinator** will be responsible for coordinating safety and training to ensure that best practices are followed to help mitigate accidents and that all workers follow all safety rules and procedures at Battle North Gold – Bateman Gold Project. This position will work a **local 5x2, 8-hour shift schedule** offering a great work/life balance.

Responsibilities

- Oversee surface and underground training activities, including record keeping.
- Support all other departments as a resource in health and safety activities.
- Supervise the security on site.
- Liaise with the Occupational Health & Safety Committee.
- Promote safety initiatives.
- Oversee activities of the Surface Emergency Response Team and Mine Rescue.
- Organize, develop, review and revise company policies and procedures.
- Interact with regulatory agencies.
- Support department in program development.
- Work in a healthy work environment with full support, cooperation and commitment to satisfy our operation's goal of being accident-free.
- Comply with federal and provincial acts, regulations, and legal requirements.
- Adhere to all company policies and procedures.
- Perform other duties as assigned.

Requirements

- College Diploma in a related program with 7 years' experience working in a supervisory role. Alternately, an individual with an Ontario Secondary School Graduation Diploma with several years of directly related experience may be considered.
- Health and Safety program experience.
- Must possess Train the Trainer certificate.

How to Apply

Applications close on **Friday, December 18, 2020**. Please submit your resume via email to HR@battlenorthgold.com and refer to Job Number **2020-HSC**. As an equal opportunity employer, Battle North Gold is committed to diversity, inclusion, and accessibility or any other category protected by the Canadian or Provincial laws and regulations. We encourage all qualified candidates to apply.
