

CAREER OPPORTUNITY

About Battle North Gold

Battle North Gold is a Canadian gold mine developer led by an accomplished management team with successful underground gold mine operations, finance, and capital markets experience. Battle North owns the significantly de-risked and shovel-ready **Bateman Gold Project**, located in the renowned Red Lake gold district in Ontario, Canada and controls the strategic and second largest exploration ground in the district. Battle North also owns a large gold exploration land package on the Long Canyon gold trend near the Nevada-Utah border in the United States.

Development Miner – BNG0001 (Mine) Bateman Gold Project

Reporting to the **Underground Supervisor**, the **Development Miner** will be the recognized leader in the heading, performing all duties associated with this level of responsibility and demonstrating your capability to perform all required tasks competently and in a safe manner at Battle North Gold – Bateman Gold Project. This position will work a **local 7x7, 10.5-hour shift schedule or a FIFO 14x14 10.5hour shift schedule** offering a great work/life balance.

Responsibilities

- Perform duties with skills acquired as Miner 1, 2 and 3.
- Train and successfully demonstrate ability to operate and obtain required licensing (i.e., 2 boom jumbo).
- Perform tasks as directed under the direction of supervisor.
- Consistently work in a safe and conscientious manner.
- Comply with all safety procedures.
- Wear all required personal protective equipment.
- Observe experienced workers to gain and increase knowledge of methods, procedures, and performance standards.
- Report any unsafe conditions to your supervisor.
- Work in a healthy work environment with full support, cooperation, and commitment to satisfy our operation's goal of being accident-free.
- Comply with federal and provincial acts, regulations, and legal requirements.
- Adhere to all company policies and procedures.
- Perform other duties as assigned.

Requirements

- Ontario Secondary School Graduation Diploma and successful completion of all relevant Common Core training modules and ability to demonstrate competence to perform all skills acquired as Miner 1 and 2.
- Five (5) or more years of experience in a trackless mining environment in the development mining cycle.
- Operate mechanized equipment, including jumbos, bolters, and scoop trams in a safe and efficient manner.
- Ability to load and blast development rounds safely.
- Ability to read mine development layouts.

How to Apply

Applications close on **Friday, January 22, 2021**. Please submit your resume via email to HR@battlenorthgold.com and refer to Job Number **BNG0001**. As an equal opportunity employer, Battle North Gold is committed to diversity, inclusion, and accessibility or any other category protected by the Canadian or Provincial laws and regulations.
