

CAREER OPPORTUNITY

About Battle North Gold

Battle North Gold is a Canadian gold mine developer led by an accomplished management team with successful underground gold mine operations, finance, and capital markets experience. Battle North owns the significantly de-risked and shovel-ready **Bateman Gold Project**, located in the renowned Red Lake gold district in Ontario, Canada and controls the strategic and second largest exploration ground in the district. Battle North also owns a large gold exploration land package on the Long Canyon gold trend near the Nevada-Utah border in the United States.

Mill Project Lead/Mill Superintendent – BNG0002 (Projects/Operations) Bateman Gold Project

Reporting to the **Project Manager/General Manager**, the **Mill Project Lead/Mill Superintendent** will be responsible for initiating and managing all capital improvement projects in the processing plants. The position will transition into the Mill Superintendent role where you will provide leadership to the Mill operations and Metallurgical teams. You will be responsible for ensuring the safe and efficient operation of the crushing plant, mill, refinery, and tailings management facility to meet or exceed safety, production, costs, and recovery targets at Battle North Gold – Bateman Gold Project. This position will work a **local 5x2, 8-hour shift schedule** offering a great work/life balance.

Responsibilities

- Lead and coordinate all processing capital projects.
- Assist in preparation of budget and business plans.
- Provide assistance to Mill Foreperson and Senior Metallurgist to cover absences.
- Work in a healthy work environment with full support, cooperation, and commitment to satisfy our operation's goal of being accident-free.
- Comply with federal and provincial acts, regulations, and legal requirements.
- Adhere to all company policies and procedures.
- Perform other duties as assigned.

Requirements

- A University degree in mineral processing or similar degree with 8-10 years' experience working in gold mill environments, and 2-4 years as a Mill Superintendent in the gold mining industry.
- Previous capital project work to be considered an asset.

How to Apply

Applications close on **Friday, February 5, 2021**. Please submit your resume via email to HR@battlenorthgold.com and refer to Job Number **BNG0002**. As an equal opportunity employer, Battle North Gold is committed to diversity, inclusion, and accessibility or any other category protected by the Canadian or Provincial laws and regulations. We encourage all qualified candidates to apply.
