

Battle North Gold Corporation is a Canadian gold mine developer that owns the Bateman Gold Project, located in the prolific Red Lake gold district in northwestern Ontario, Canada. Battle North Gold controls over 280 square kilometres of prime exploration ground in Red Lake.

Battle North Gold is currently seeking seasoned professionals at the Bateman Gold Project with supervisory, project management and/or underground experience, whose first priority is to ensure the safety of workers and who will control costs, while bringing the best-practices to this project.
