

## WHITEHAWK MINERALS CORP.

### CORPORATE GOVERNANCE GUIDELINES

The Board of Directors (the “**Board**”) of WhiteHawk Minerals Corp. (the “**Company**”) has adopted the following Corporate Governance Guidelines (the “**Guidelines**”) to assist the Board in the exercise of its responsibilities and to serve the interests of the Company and its stockholders. These Guidelines should be interpreted in the context of all applicable laws and the Company’s amended and restated certificate of incorporation, amended and restated bylaws and other corporate governance documents. These Guidelines acknowledge the leadership exercised by the Board’s standing committees and their chairs and are intended to serve as a flexible framework within which the Board may conduct its business and not as a set of legally binding obligations. The Guidelines are subject to modification from time to time by the Board as the Board may deem appropriate and in the best interests of the Company and its stockholders or as required by applicable laws and regulations.

#### I. THE BOARD

##### A. Independence of the Board

Except as otherwise permitted by the applicable New York Stock Exchange (“**NYSE**”) rules, the Board will be comprised of a majority of directors who qualify as independent directors (the “**Independent Directors**”) as required under NYSE rules.

##### B. Separate Sessions of Independent Directors

The Independent Directors will meet in executive session without non-Independent Directors or management present on a regularly scheduled basis. The Company will hold an executive session including only Independent Directors at least once per year.

##### C. Director Qualification Standards and Additional Selection Criteria

The Nominating and Corporate Governance Committee, in recommending director candidates, and the Board, in nominating director candidates, will evaluate candidates in accordance with the qualification standards set forth in Attachment A to these Corporate Governance Guidelines. In addition, the Nominating and Corporate Governance Committee and the Board may also consider the additional selection criteria listed in Attachment A.

##### D. Director Orientation and Continuing Education

Management will provide an orientation process for new directors, including background material on the Company and its business. As appropriate, management will provide opportunities for additional educational sessions for directors on matters relevant to the Company and its business.

E. Service on Other Boards

The Board recognizes that its members benefit from service on the boards of other companies and it encourages such service. The Board also believes, however, that it is critical that directors have the opportunity to dedicate sufficient time to their service on the Company's Board. To that end, a director may not serve on the boards of more than four other public companies, *provided that*, any director who also serves as the chief executive officer of a public company or in an equivalent position should not serve on more than two public company boards in addition to the Company's Board, or such other number of other public company board as may be allowed under stock exchange or advised under proxy advisory firm recommendations at such time. Prior to accepting any position on the board of directors of any organization, whether for-profit or not-for-profit, current directors should notify the Nominating and Corporate Governance Committee. The Chair of the Nominating and Corporate Governance Committee will coordinate with the General Counsel to review the proposed board membership to ensure compliance with applicable laws and policies.

Service on other boards and/or committees should be consistent with the Company's conflict of interest policies.

F. Directors Who Resign or Materially Change Their Current Positions With Their Own Company or Become Aware of Circumstances that May Adversely Reflect upon the Director or the Company

When a director, including any director who is currently an officer or employee of the Company, resigns or materially changes his or her position with his or her employer or becomes aware of circumstances that may adversely reflect upon the director or the Company, such director should notify the Nominating and Corporate Governance Committee of such circumstances. The Nominating and Corporate Governance Committee will consider the circumstances, and may in certain cases recommend that the Board request that the director submit his or her resignation from the Board if, for example, continuing service on the Board by the individual is not consistent with the criteria deemed necessary for continuing service on the Board.

G. Term Limits

As each director is periodically subject to election by stockholders, the Board does not believe it is in the best interests of the Company to establish term limits at this time. Additionally, such term limits may cause the Company to lose the contribution of directors who have been able to develop, over a period of time, increasing insight into the Company's business and therefore can provide an increasingly significant contribution to the Board.

H. Director Responsibilities

The business and affairs of the Company will be managed by or under the direction of the Board, including through one or more of its committees. Each director is expected to spend the time and effort necessary to properly discharge his or her responsibilities. These include:

- exercising their business judgment in good faith;
- acting in what they reasonably believe to be the best interest of all stockholders;
- becoming and remaining well-informed about the Company's business and operations and general business and economic trends affecting the Company; and
- ensuring that the business of the Company is conducted so as to further the long-term interests of its stockholders.

#### I. Compensation

The Board believes that director compensation should fairly pay directors for work required in a business of the Company's size and scope, and that compensation should align directors' interests with the long-term interests of stockholders. The Compensation Committee will review and make recommendations to the Board regarding the cash and equity compensation of directors. The Company's executive officers do not receive additional compensation for their service as directors.

Except as otherwise permitted by the applicable NYSE rules, members of the Audit Committee and Compensation Committee may not directly or indirectly receive any compensation from the Company other than their directors' compensation, including any compensation for service on committees of the Board and the receipt of equity incentive awards.

#### J. Interaction with Investors and the Press

The Board believes that management speaks for the Company. Each director should refer all inquiries from investors, the press or other third parties regarding the Company to management. Individual Board members may, from time to time at the request of management, meet or otherwise communicate with various constituencies that are involved with the Company. If public comments from the Board are appropriate, they should, in most circumstances, come from the Chair of the Board.

#### K. Board Access to Senior Management

The Board will have complete access to Company management in order to ensure that directors can ask any questions and receive all information necessary to perform their duties. Directors should exercise judgment to ensure that their contact with management does not distract managers from their jobs or disturb the business operations of the Company. Any meetings or contacts that a director wishes to initiate may be arranged through the Chief Executive Officer or the Chair of the Board, or if neither is available or neither is appropriate, directly by the director. To the extent appropriate, such contact, if in writing, should be copied to the Chief Executive Officer of the Company.

L. Board Access to Independent Advisors

The Board committees may hire independent advisors as set forth in their applicable charters. The Board as a whole shall have access to any independent advisor retained by the Company, and the Board may hire any independent advisor it considers necessary to discharge its responsibilities.

M. Self-Evaluation

The Nominating and Corporate Governance Committee will oversee an annual assessment of the Board and its committees.

## II. BOARD MEETINGS

A. Director Attendance

A director is expected to spend the time and effort necessary to properly discharge his or her responsibilities. Accordingly, a director is expected to regularly prepare for and attend meetings of the Board and all committees on which the director sits (including separate meetings of the Independent Directors), with the understanding that, on occasion, a director may be unable to attend a meeting. A director who is unable to attend a meeting of the Board or a committee of the Board is expected to notify the Chair of the Board or the Chair of the appropriate committee in advance of such meeting, and, whenever possible, participate in such meeting via teleconference in the case of an in-person meeting.

B. Advance Receipt of Meeting Materials

Information regarding the topics to be considered at a meeting is essential to the Board's understanding of the business and the preparation of the directors for a productive meeting. To the extent feasible, the meeting agenda and any written materials relating to each Board meeting will be distributed to the directors sufficiently in advance of each meeting to allow for meaningful review of such agenda and materials by the directors. Directors are expected to have reviewed and be prepared to discuss all materials distributed in advance of any meeting.

## III. COMMITTEE MATTERS

The Board currently has three (3) standing committees: (i) the Audit Committee, (ii) the Compensation Committee and (iii) the Nominating and Corporate Governance Committee. Each committee will perform its duties as assigned by the Board in compliance with the Company's bylaws and the committee's charter. The Board may, from time to time, establish additional committees as it deems necessary or appropriate to address specific matters or to comply with applicable legal or regulatory requirements, and shall determine the composition, duties and duration of any such committee upon its formation. It is the responsibility of the directors to attend the meetings of the committees on which they serve.

## IV. SUCCESSION PLANNING

The Board (or a committee delegated by the Board) will (i) work on a periodic basis with the Chief Executive Officer to evaluate the Company's succession plans upon the Chief Executive Officer's retirement and in the event of an unexpected occurrence, and (ii) periodically review the performance of the Chief Executive Officer.
